### **Three Way Deals Pave Way for IDB**

Sept. 28 (IPS) — Western European industrialists, developing nations, and East bloc countries are combining their resources in three-way trade and development agreements which point the way out of the spiraling economic collapse of the capitalist sector. In form, the three way accords follow the outline presented for an International Development Bank proposed by U.S. Labor Party Presidential candidate Lyndon LaRouche in April this year.

In striking contrast to the Rockefellers' renewed drive for thermonuclear holocaust to somehow bolster his Dollar Empire, the East and West German governments combined for the first time to undertake a joint venture to build a 6000-ton capacity textile plant in the Sudan. The textile deal involves a cost of 103 million DM.

In the last weeks, such unprecedented deals have been signed at an accelerating rate. However, without the immediate imposition of debt moratoria on dollar-denominated debt, such deals will represent well-meaning but totally inadequate efforts to reverse the process of worldwide economic decay. Without the formation of an international centralized credit institution, like an International Development Bank, to replace the bankrupt International Monetary Fund and World Bank, the credit generated for three-way agreements cannot possibly off-balance the negative growth rate perpetrated by Rockefeller's worldwide looting of productive capacity to maintain dollar debt.

In the meantime, the Western bourgeois press has continued to ignore the three-way deals which are paving the way for the "new world economic order."

#### **Focus on the Mideast**

Leading the way in three-way trade among the industrial nations is the increasingly desperate Japan. A spokesman for C. Itoh, a key Japanese industrial firm, confirmed to IPS that Japan and East Germany have agreed on major trade expansion, including Japanese assistance in marketing East German goods in third nations. The Japanese are currently negotiating with the Soviet Union for a joint railway project for Iran. The line would be used to conduit Soviet goods to the eastern regions of Iran, thus easing a bottle-

neck at the northwestern border town of Jolfa.

But the driving force for development in the Middle East region is Iraq. According to the Italian newspaper *Il Fiorino* this week, an Iraqi representative at a recent trade fair in Italy declared that Iraq must spend over \$6 billion on agricultural machinery alone in the next five years if the pro-Soviet nation is to meet its targets for agricultural development. The Iraqi declaration is an implicit offer for productive work to the thousands of auto and steelworkers now joining the unemployment lines throughout the capitalist sector.

The Iraqis have also issued a proposal calling for the construction of a 578-mile railroad to link the Persian Gulf with the Mediterranean through Syria, while announcing their plans to develop newly found raw material deposits of phosphates, high-quality glass-making sand, marble, iron ore, and chrome. All of these projects would require large inputs of Western and Soviet technology and capital goods.

A significant step in breaking Rockefeller's oily stranglehold over the Middle East — a precondition to the full development of the region — was also undertaken last week by the Kuwaiti government which established its own International Petroleum Company to circumvent a Rockefeller-contrived oil hoax. Drawing its oil supplies from Kuwait, Iraq, and other Mideast producers, the company has set up its own independent marketing and distribution network in Western Europe. Using Danish distributors, Italian refiners, and British, French, and Swiss oil firms, the Kuwaiti move ensures that Western Europe will not be left dry by a Rocky oil hoax.

Contrary to the Rockefeller policy of constricting oil production and consequently worldwide industrial production, the Iraqis are following a policy to rapidly upgrade the rate of exploitation of oil capacity in the Mideast in expectation of the development of controlled fusion power and increased industrial production for the development of the Mideast itself. This week the Iraqis invited over 119 international companies to attend an international petroleum conference and exhibition in Baghdad this October,

where joint development projects will undoubtedly be discussed.

In the same regard, discussions are now underway between the Soviet Union and France for joint research and development of Soviet offshore oil reserves in the Behring Sea, according to the French press. The French would deliver drilling equipment and sea platforms as well as technical assistance in exchange for Soviet crude oil. While the two French oil-producing firms are jubilant over the proposed agreement, French affiliates of U.S. firms are reported to be "reticent."

#### **Indonesia: Case in Point**

The potential for the cooperation between the Soviet bloc and the advanced sector in developing the capacities of currently Third World nations is exemplified by those two sectors' ongoing interest in the debt-strapped nation of Indonesia. Earlier this year, Rockefeller's World Bank deliberately tried to bankrupt the major source of the country's revenue, the Pertamina oil company, in order to collect its debts. Now, while continuing a policy of increased ties to Comecon, the Indonesian government is also depending upon development-focused trade and investment expansion with the West German Schlotbaronen.

The Soviet embassy in Jakarta declared that Soviet exports went from \$3.4 million in 1973 to \$13 million in 1974. Trade between Poland and Indonesia rose 15-fold this year to \$43 million. Soviet exports include textile equipment, autos, stone crushers, diesel generators, and chemicals; and the Soviets announced their intention to supply machinery and transport ships.

This month a delegation of A. F. Krupp visited the country, touring Pertamina's major industrial projects. Aid for roads and port construction is expected. According to the Schlotbaronen daily *Handelsblatt*, West German companies like Klbeckner machine-tool firm are continuing their exports and investment to Indonesia despite the drastic liquidity shortage in the country. Says *Handelsblatt*, "There is no substitute to increasing the technological level of Third World nations," a clear denunciation of the Rockefeller-World Bank policy of labor intensive looting.

## Rockefeller May Try Desperation Oil Hoax Replay

Sept. 27 (IPS) — Rockefeller's inability to rally broad working-class layers behind the "Fortress America Project Independence" energy scheme, and nearly six months of unsuccessful if strenuous attempts to force a regime of total oil price decontrol down the throats of the Congress, have heightened Rockefeller's desperation to protect his family's oil and banking empire at the expense of economic holocaust. Now, with his neck on the line in the form of the \$100 billion Project Independence retreat, the Energy Independence Authority (EIA), Nelson Rockefeller would like nothing better than to blast through the opposition with an Oil Hoax.

The Energy Independence Authority and oil price decontrol are the twin pillars of Rockefeller's headlong rush to establish a slave-labor autarky in the U.S. to enforce his continued looting rights. The Lebanon time-bomb — the centerpiece of dramatic Rockefeller provocations in the Middle East — and the public hysteria-mongering around the current OPEC meeting, is meant to insure that Congress complies with Rockefeller's wishes promptly.

Despite press reports that this week's Vienna summit meeting of the Organization of Petroleum Exporting Countries would not demand an unwieldy oil price hike, most market insiders had decided a new oil hoax was in the offing, according to an IPS survey:

- 1) U.S. oil companies dramatically increased their imports in anticipation of a new price rise during the last week reported.
- 2) Copper speculators began stockpiling the metal in anticipation of a new rise in the price of energy, which would be passed on to the cost of electrolytic copper.
- 3) Speculators bet on a sharp rise in the U.S. dollar's value due to an oil price increase of more than 20 per cent.

In the United States, after an abortive showdown on the issue of oil price decontrol one month ago, Vice Presidential assistant Ford agreed this week to extend the price controls for another 45 days so that Congress and the Administration can hammer out a compromise on "long term" national energy policy.

The effects of any Rockefeller energy policy can only result in the further decimation of the United States industry. Rocky's last oil hoax served as the cover for mass layoffs throughout the steel and auto industry to death in order to prop up his own sinking empire.

The natural gas hoax that has been underway for some time shows precisely how Rockefeller intends to use the planned oil hoax, or even threats of it. As the direct result of manipulated "shortages" of natural gas, and liberal press-mongering on the issue, natural gas prices have already been decontrolled by "emergency decree" of the Federal Power Commission, despite the fact that Congress has yet to take any decision on price decontrols. Interstate sales of natural gas, the bulk of such sales upon which industry and agricultural production depend, have historically been under firm price controls while intrastate prices are uncontrolled. Like the oil hoax, the natural gas hoax has served to blight industry particularly in the Ohio-Pennsylvania steel and other belts. The major gas distributors, controlled through corporate interlocks by the oil majors and furthermore, not known to be Arabs, simply stopped producing for the interstate market in a deliberate move to blackmail industry and the Congress.

At stake for Rockefeller banks and oil companies is at least \$20 billion worth of energy investment — leasing, offshore rigs, etc. — tied up in the bankrupt Alaska Pipeline, North Sea and other boondoggles. At the end of July, two major British Petroleum and

SOHIO, alone borrowed \$3 billion in the largest private debt placement in history — on the anticipation of total price decontrol.

### No Holds Barred

Rockefeller's desperation on the energy issue is a matter of public record. Since the oily glow of the 1973 "October Revolution" wore off almost a year ago, Rockefeller and his agents in and out of government have pushed the threat of a new embargo for all it's worth, complemented by a broadside campaign for "de-regulation."

A month ago, in a bald attempt to ram through decontrol, the Vice President installed one of his personal secretaries, Mr. Richard Dunham, a self-admitted ignoramus on power commission matters, in the pivotal Federal Power Commission. More recently, Senator Henry Jackson has been deployed to secretly amend the Energy Research and Development Authority's appropriations bill to include a \$6 billion federal check to the oil industry. Jackson's maneuver was quashed only because certain Congressmen actually read the otherwise non-controversial bill when it reached the House Committee.

Rocky's current flexing of the Oil Hoax weapon is intended to establish a controlled environment around Congress, forcing it to "choose" between Rockefeller's Energy Independence Authority or its "alternative" — the corporatist "Energy Production Board" proposal of Henry Jackson and Leonard Woodcock's United Auto Workers Union, and "agree" to speedy price decontrol.

Knowledgeable Washington sources told IPS this week that the "compromise" would probably devolve on the Jackson-UAW "alternative," which has been correctly attacked as a thoroughly fascist scheme in recent Congressional testimony.

# Collapse Spurs Drive for Fascist Economics

Sept. 30 — In the last 48 hours the Rockefeller faction has committed all its forces to a managed bust of the world economy and the imposition of fascist economics and police state rule as soon as possible. Thrown on to the defensive by three-way trade initiatives by the Soviet Union, Western Europe and Third World nations and by the stepped-up pace of collapse of the Dollar Empire, Rockefeller has sent agents on emergency deployment to Western Europe. There, they are attempting to sabotage East-West trade and turn the resulting economic rubble field into a streamlined fascist economy based on military rearmament and Auschwitz-style slave labor programs. In the United States the drive is aimed at a shutdown of credit and production combined with nation-wide union-busting and the establishment of Nazi-style "full-employment" schemes. Nelson and David Rockefeller and their house servants want to place the world economy into outright receivership and oversee its liquidation before they, as the last capitalists, crumble under a world ecological holocaust of their own making.

The much-publicized moves by U.S. Defense Secretary Schlesinger to force the export-dependent Western European nations to sever all trade relations with the East Bloc under threat of nuclear war are speeding a new wave of industrial shutdowns. In France, where new rounds of layoffs are scheduled for the steel, chemical, and public sectors, Finance Minister Fourcade has announced that French firms will not be allowed to borrow outside France except with Government permission, an action that enables a selective starvation of industry. In turn, the Government has moved with Gaullist support to implement a nationwide labor recycling plan and crackdown on the Communist Party (PCF) and its allied trade union federation, the CGT. Under the cover of Maoist-led riots and demonstrations against Franco's executions, French Interior Minister Poniatowski has mobilized private army attacks on the trade unions.

In West Germany as well as Italy, the economic chaos is being used to revive fascist legislation on the books from the days of Hitler and Mussolini. Unemployed West German workers are being recycled from the country's north to the

industrial Ruhr region at lower wages to replace Turkish workers subject to massive Gestapo-style deportation. In line with U.S. Federal Reserve Chairman Arthur Burns' "solution" for the unemployed in the United States, over 300,000 West German workers have been simply removed from unemployment roles.

## Same in New York City

Stateside, the same strategy is in operation. In New York City, Rockefeller's home ground, the commercial banks have used an unconstitutionality ruling on pension fund investments as a pretext for collapsing the \$2.3 billion MAC bail-out package and pushing New York City, New York State, and a host of related agencies into bankruptcy. In the words of one top New York banker "everyone in the financial community is anxious to see New York go under" and, in effect, place the city's assets — workers and services — into outright receivership and carry out liquidation proceedings. The decision by the Emergency Finance Control Board (EFCB) to reopen the New York Teachers contract is designed to break the strongest of the nation's municipal trade unions and remove the principal obstacle to such liquidation. The EFCB provocation is not an isolated act. The same day former Treasury Secretary Presidential hopeful John Connally in a speech widely broadcast called for an end to mayoral rule in U.S. cities and the establishment of non-elected authorities capable of smashing the national municipal trade union structures.

This pincer operation is directed against every aspect of economic life. In the past three months the nation's Central Banker, Arthur Burns, has pursued bloodletting credit policies which have produced a negative growth rate in the money supply greater than during the "Great Monetary Contraction" of 1929-33. This week, Burns informed Congress that in light of an unexpected and rapid economic recovery he will tighten the credit reigns!

In addition, Treasury Secretary William "rifle the unemployed" Simon this week asked Congress for unlimited authority to sell long-term bonds, a move that will deprive corporations of access to long-term funds which they must have to finance capital expansion programs. This move is a complete reversal of a previous agreement

between the Treasury and the Fed to keep out of the long-term market, and thus represents a deliberate decision to throw recovery out the window. Simon admitted as much yesterday in testimony before Congress. The long-heralded business investment and housing recoveries have already been aborted by past government financing operations, Simon said.

The latest fruits of this industrial sabotage showed up in this week's steel production figures, which dropped by 5 per cent. Still, Rockefeller is not satisfied with industrial collapse alone. The Dunlop-controlled Council on Wage and Price Stability has launched a major attack on steel companies for recently announced price increases. The implications of such an attack in the face of skyrocketing production costs are obvious. Steel companies must compensate for this either through vicious in-plant speed-up, or drastic cut back in capital investments. Rockefeller simply wants to repeat the steel cartel arrangements of the 1930s which, first, shutdown major sectors of the industry, and then limited production to the extent necessary to protect a price level which assured repayment of bank loans.

## Cartels Coupled With Slavery

Collapse and cartelization of industry, as in Europe, is being coupled with slave labor proposals. This morning, the Joint Economic Committee, headed by Senator Hubert Humphrey issued its midyear report containing proposals that dovetail with Burns' Sept. 19 call for the elimination of unemployment compensation and welfare, and their replacement with slave labor jobs.

At the moment most capitalists are in a complete state of panic. The Journal of Commerce summed it up with the following haunting analogy: "today it sometimes seems as if we are having a replay of the 1937-8 period, when a business recovery which had lifted the country out of the severe depression was rapidly fading." It is precisely these conditions of panic combined with the unwillingness to seek out the alternatives of debt moratoria and expanded trade that have pushed most capitalists into open support for the very policies of Rockefeller that in a matter of time will mean their own elimination.

## Europe Raped to Roll Over Debt

Oct. 1 (IPS) — If Western Europe agrees to endure a wholly avoidable new round of industrial shutdowns, the dollar empire will survive the international payments bottleneck at the end of the third quarter this year. A close examination of international money flows around the Sept. 30 deadline indicates that the leading dollar-based international banks may have bought their way out of catastrophe for the immediate present — by enforcing a new wave of industrial shutdowns and layoffs across the European continent.

According to Eurodollar market operators in New York City, the \$220 billion pool of funds which makes up the shakiest part of the dollar monetary system is getting new cash injections "due to the collapse of bank lending in Western Europe," in the view of Lloyds' Bank International. Fresh industrial closures in France, Germany, and Italy, led by steel, and a new round of layoffs starting immediately after the summer recess, back up the financiers' boasting.

Last week, the Swiss daily, *Neue Zuercher Zeitung*, warned of U.S. plans to force "massive capital reflows from Europe to the U.S. . . . placing several European countries in serious payments difficulties."

European industry relies on a very high volume of short-term credits to finance shipments between the interlinked factories of different nations. A 10 per cent drop in the financing of intra-European trade, reflecting a coming drop in industrial output, would free roughly \$5 billion in the Eurodollar pool; the industrial downturn reduces utilization of short-term bank credits temporarily. During the first half of 1975, bank credits to industrial concerns in Germany dropped by about \$2 billion. (In the U.S., the drop in commercial and industrial loans during the same period was \$11 billion, with an identical effect).

### Europeans Hung By Their Own Rope

In this fashion, David Rockefeller is trying to hang Western Europe with a rope made from its own hide. The offensive of the Rockefeller faction internationally (see p. 1), like any other campaign, generates a huge demand for funds in the form of payoffs and

handouts to governments, debt rollovers and bailouts. During the past week, new international lending has vastly exceeded the international banks' capability. But none of these loans could have been postponed without devastating political consequences (see accompanying box). The difference between capability and need is made up through a new looting expedition against Western European industry.

\*West German unemployment, according to semi-official forecasts, will rise from 1 million, the level at which it stabilized this summer, to 1.5 million by winter.

\*German steel's export profits were down to half of their previous year levels by August; output fell by 32 per cent from the August 1974 figure. West German steel depends on exports for 55 per cent of its output. The August output represents a sharp acceleration from the 21 per cent rate of decline (compared to 1974) through the first eight months of this year.

\*French steel is now operating at 60 to 70 per cent capacity, and profits are the lowest in 40 years; the steel industry's debt will reach 120 per cent of sales by December. But the impact on employment has been moderate up until now; steel federation president Jacques Ferry has demanded a new wave of layoffs.

\*The Commission of the European Economic Community projects a 23.6 per cent drop in steel output in Western Europe by the end of the year.

\*The steel industry collapse reflects a new and massive downturn in auto, textiles, non-ferrous metals and other key European industrial sectors.

### Atlanticist Complicity

Economic and financial policy formulated by Atlanticist finance ministries adds an element of conscious sabotage to the mechanical extraction of cash from the industrial collapse. France, Germany, and Japan are now subject to "reflation programs," each of which is designed to print sufficient money to meet the debt-financing requirements of their respective governments and limited sections of industry. Germany's central bank, under this program, has dropped the rate at which it lends to

banks from 6.5 per cent to 3.5 per cent during the past three months. The French government is pumping about \$6 billion of fluff into the economy, while the Japanese are reflating to the extent of \$6.7 billion.

These programs, designed as a counter to the required trade and development arrangements, have weakened the internal European credit structures and permitted speculative raids against European currencies. Last week, European central banks had to spend \$750 million from their foreign exchange reserves to ward off speculative attacks on their currencies. As German Economics Minister Hans Friderichs warned, the recent drop in the value of European currencies against the dollar on foreign exchange markets placed a burden on Europe equal to the recent 10 per cent oil price increase. These funds, in turn, are siphoned directly into the Eurodollar pool — whence they are re-lent wherever the Rockefeller interests et al. direct them.

While payments due Sept. 30 will not clear for several days — at which point it will be known whether the dollar system has survived the rollover date — it appears likely that the Rockefeller interests will temporarily stand the seige. Eurodollar interest rates, which are a sensitive indicator of the availability of funds, have remained relatively stable, compared to their marked tightening earlier this month. The worst "flashpoints" in the international monetary system have been covered through a quasi-military requisitioning of credit.

But such peace is bought at greater cost in the immediate future. The leading Eurodollar banks have had to put themselves on the line to scrape together somewhat less than \$10 billion for today's deadline: this is roughly the amount of new financing required by the U.S. Treasury alone, in the month of October alone. Indeed, the purpose of this operation is not to avoid collapse, but to postpone collapse in certain sectors until the Rockefeller faction has readied the conditions to conduct a collapse on its own terms.

## Special Report:

# Rockefeller Resumes Insane Drive Toward Thermonuclear War

Sept. 27 — After several months of calamitous collapse in their economic and foreign policy, the Rockefeller Family is now attempting to regain ground by again threatening the world with nuclear destruction.

U.S. representatives, including Defense Secretary James Schlesinger, deployed to Europe for this weekend's meeting of NATO's Atlantic Assembly in Copenhagen have made the threat crystal clear: Western European resistance to Rockefeller's continued drainage of liquidity from Europe must stop; techniques to save Europe's economy such as expanded trade with the Comecon and the Third World, must be abandoned — the only investment allowed will be for a massive increase in European arms production under U.S. direction. If anything gets in the way of maintaining the Dollar Empire, if the U.S. economic situation worsens, one West German source who attended the NATO conference told IPS, then there could be a general push toward war.

To underscore the fact that Rockefeller has shifted to a punitive policy, the U.S. State Department "unilaterally" delayed a purchase of American grain by the Polish Government, according to the Journal of Commerce Sept. 24. The cutoff was purposefully senseless; a Polish crop failure is now causing hardship in that country.

On Sept. 25, a high Soviet spokesman announced that the socialist bloc was not shaken by the shift, and called for renewed disarmament efforts before "a worldwide thermonuclear catastrophe" was unleashed.

### **Detente Gone Mad**

To prepare the background for the threat, a couple of ancient Rockefeller policy spokesmen were brought out to manufacture a radical redefinition of "detente" earlier in the week. According to these spokesmen, Western relations with the socialist countries should now mean that working-class initiatives in the West or Soviet initiatives for peace or development anywhere in the world will mean severe and irrational reprisals from the U.S. In a major piece in the Wall Street Journal Sept. 26, long-time Rockefeller policy advisor Eugene Rostow decried that under Secretary of State Kissinger's "soft" version of detente

diplomacy, the Soviet Union had "simply double-crossed us" in South East Asia, Portugal and the Middle East. Rostow called for subscription to the more openly maniacal version of detente described by Mao tse-Tung, whom he quotes: "I am detente. I keep a million Soviet troops immobilized in Siberia. If Chinese policies were different, they would swarm over Europe." Kissinger should be replaced, claimed Rostow, because the "immense advantages" of China's anti-communism are "being frittered away."

Rostow's declaration came simultaneously with the release of a new book, "World Power Assessment: A Calculus of Strategic Drift," by Ray Cline, former chief of European operations for the CIA now running a think tank at Georgetown University. Cline echoes Rostow's redefinition backing it up with "mathematical" equations, and adding that the U.S., Western Europe and Japan must "retrench" to prepare for coming fights.

At the Copenhagen Atlantic Assembly meeting itself, U.S. agents made clear that the first target of this new diplomacy is the growing faction of anti-Atlanticist politicians and industrialists who have been a major obstacle to unhindered Rockefeller looting of Europe. Setting the tone at an early session of the conference, John Erickson, the head of the Defense Studies Department at the University of Edinburgh, followed the new line, denouncing detente as a cover for Soviet "united front tactics." The think tanker then warned bluntly: bilateral deals between West European industrialists and the East create "internal political alignments and dispositions favorable to the Soviet Union and its interests" — a clear reference to the growing faction of Europeans now scrambling to Moscow for deals to save their industries.

Erickson was followed by Gen. Alexander Haig, a Kissinger confidant now NATO's Supreme Allied Commander, who stated that there would be no solutions to the depression outside of the confines of NATO's anti-communist strategy. A unified, belligerent NATO is now more necessary because of an economic crisis which "is made up of more than purely fiscal, cyclical doldrums, but rather has a broader, more pervasive base." Rockefeller

preparations of a possible new oil hoax (See article page 6) is another backup measure to force the "emergency unification" of Europe.

### **Schlesinger Demands War Machine**

A heavily armed, unified Europe was the strident demand of Secretary Schlesinger on his trip through West Europe in preparation for the conference. Meeting with the top Atlanticist agents in Britain, France, Denmark and West Germany, Schlesinger ghoulishly described himself as an "international missionary for defense." Schlesinger summarized his evangelical work at Copenhagen, claiming that NATO had reached a "peril point" and that all member countries must immediately increase their defense spending and war production, making "sacrifices to protect the good life." What Schlesinger said specifically to member governments was leaked by angry pro-East-West trade Conservatives in Britain. Officially calling for NATO "standardization of weapons," Schlesinger demanded that Europe massively increase arms outlays — most of them for U.S.-made weapons — and effectively reduce their own highly-developed aerospace and technical industries to "sub-contractors" of a giant U.S. war machine. In most cases, these are just the European industries that are needed to supply exports for the Third World and the Comecon countries.

The same West German source told IPS that the demands of the Americans along these lines completely split the parliamentarians at the NATO conference, with those allied with the "big bankers" — the Rockefellers — openly pushing for war preparations.

In Britain, anger over being a Rockefeller satrapy exploded at Schlesinger's suggestion. After Conservatives leaked the Schlesinger program to the press, the nominally pro-NATO Daily Telegraph denounced the plan as "politically unacceptable." Speaking for British industrial interests, Geoffrey Pattie, head of the Conservative's Aviation Committee, claimed correctly that the plan would help destroy the capital-intensive British industry, sacrificing its "unique technological advances." The London Financial Times, usually a mouthpiece for pro-East-West trade elements, reported the leak without comment but placed the report conspicuously next to

an article on the sale of Rolls Royce aircraft engines — for peaceful, not military use — to the Soviet Union.

#### Soviets Respond

The Soviet Union had already answered the arms push threat as soon as it became clear that a shift was occurring. The Soviet government paper Izvestiya on Sept. 25 carried a major column by N. Polyanov on the Mutual and Balanced Force Reduction (MBFR) talks in Vienna, stating that "the arms race has its own negative logic...only military detente can reduce the risks of conflicts, and the risk of those conflicts turning into a worldwide thermonuclear catastrophe." The Polyanov warning culminates a renewed Soviet drive for serious disarmament negotiations which was kicked off last week at a United Nations speech by Soviet Foreign Minister Andrei Gromyko.

With the Soviet affirmation that their position on such Rockefeller provocations is unchanged, the immediate target of the Atlanticist threat, the pro-East-West trade factions of the rest of Europe have so far remained silent. This is for the most part due to the fact that there has been a wide press blackout on Schlesinger's actual mission on the Continent. That will necessarily break shortly. If the British response is indicative — and the British faction is, in many ways, the least organized anti-Atlanticist faction in Europe — there will be strong pressure for these bourgeois layers to join in a united front with the working class to drive Rockefeller's agents out of Europe before he gets any closer to the thermonuclear button.

## LaRouche: We Have to Stop This War

BOSTON, Sept. 28 (IPS) — Speaking at a campaign meeting here today, U.S. Labor Party Presidential candidate Lyndon H. LaRouche laid out the Labor Party campaign to eliminate the National Security Council's (NSC) zombie army on methadone maintenance.

"We're going to nail this thing," LaRouche said. "Virtually every parent whose child has been turned into a methadone zombie, every woman who has been raped, every person who has been robbed, every family who has had a member killed by one of these zombies — who should they blame?" LaRouche asked. "Nelson Rockefeller!"

"Don't let anyone temporize about this," LaRouche warned the audience of 80 organizers, "There's an operation here to set up a police state by 1976."

LaRouche located the necessity to stop the NSC drug traffic in the ghettos and in the plants in the context of Rockefeller cabal's overt threats of nuclear war in the past few days. "The average worker," he said, "doesn't have the guts or the brains to conceive the reality of imminent nuclear war or biological holocaust. He may agree in principle with what we're saying, but he doesn't see the imminence of the danger or the scope."

"Drugs are different," LaRouche continued, "drugs are personal." The drug issue can "crystallize for these workers the efficacy of the Labor Party's Marxian world view, and show workers how they can change the situation by mediating their actions through a political organization."

LaRouche described how the Labor Party had built up political influence over the last decade and the method of analysis the Labor Party uses. "We have been successful," LaRouche said, "to the extent that our forces are targeted directly against the 'invisible government.'" To make this point crystal clear, LaRouche contrasted the Labor Party modus operandi and quality of political intelligence to the antics of the Office of Economic Opportunity poverty programs in the 1960s, through which many of the organizers present had lived.

The poverty groups would gather their forces en masse, LaRouche related and charge down to the office of a local official. "'We want X,' a group of homicidal mothers would demand. 'You gotta give us X.'"

"We don't fight the machine that way," LaRouche said. "The only thing that really counts is saying to these local officials, 'Look buddy, we're prepared to replace you. But in the meantime there are a few things we'd like you to do for us.'"

LaRouche stressed that the Labor Party is building a political force which can expect to poll in the Midwest and industrial areas 20 to 30 per cent of the vote in any election.

To illustrate how workers see Labor Party organizing advances as their own, LaRouche described USLP Springfield mayoral candidate Steve Desmond's interchange at a press conference yesterday with Sen. Birch Bayh (D-Md). When Desmond challenged Bayh's support "as a liberal cover" for the police state bill S.1, Bayh floundered around in front of a room full of reporters. "Why I disassociate myself from that. I'm washing my hands of that," Bayh stuttered.

When the worker sees this on national TV or reads about it in the press, LaRouche said, he thinks to himself, "Hey, we've got a better leadership than their leadership. Did you see out man making a monkey out of their man?"

The Labor Party members and supporters at the conference — including 20 new organizers — ranged from hospital workers, industrial workers, students, and a delegation of Haitian workers.

In the question period, LaRouche ran down what the Labor Party had pieced together about the NSC drug network — the IBM-Thomas Watson internal security network in the plants, the International Association of Chiefs of Police, the fascist Ustashi network, the modus operandi of the drug distribution in auto plants like Mahwah in New Jersey, the drug culture, and the role of marijuana. "Organized crime, the so-called Mafia," LaRouche said, "is nothing but an arm of the National Security Council."

#### "We Have To Do It."

Tying the NSC drug operation directly to the threats of "paper-clip general" Haig in NATO to start a nuclear war, LaRouche said, "We have to stop this war. This isn't our 'program.' We have to do it."

The Boston Herald Tribune and four local radio stations covered the press conference preceding LaRouche's speech.

# Rocky: East-West Trade Will Mean Nuclear War

Oct. 1 — Using their most powerful and potentially dangerous weapon short of nuclear warfare, the Rockefeller family and its European minions have announced their intention to conclusively destroy all previous planned East-West trade relations. Rockefeller, in effect, is now considering every new East-West trade move a serious military defeat, and on this account is prepared to press for nuclear confrontation with the Soviet Union by 1978 at the latest, according to Rockefeller's own spokesman.

Speaking at a military policy meeting of the West German Christian Democratic Union (CDU) in Hamburg, CDU defense expert Karl Damm said that Western trade with the Comecon (East Bloc) countries has only served to strengthen the East Bloc militarily. Therefore, Damm concluded, Western powers should not allow any trade with these countries which could either directly or indirectly boost their military potential. Damm recommended that this boycott be carried out in spite of the massive destruction it would wreak on European industry.

At this CDU conference as well as at the weekend's NATO Atlantic Assembly meeting in Copenhagen, leading think-tankers and their cohorts accused the Soviet Union of using its detente policy as a means of subverting the West.

The reality behind such rantings is that only the powerful economic potential of the Soviet Union can save Europe's economy from utter ruin. Even industries which already rely heavily on East-West trade, such as the Mannesmann pipe-producing firm, have now been forced to drastically curtail production. The situation will lead to total collapse within months, unless the already existing deals are vastly expanded on an organized basis.

Because any such detente would immediately wreck Rockefeller's paper empire, he has called for a quick end to it. Retired Admiral Elmo Zumwalt, a Kissinger man and ex-head of the U.S. Navy, was interviewed on the NBC-TV's "Tomorrow show" two days ago, where he predicted that if detente does not end, there will surely be a nuclear war by 1978 at the very latest. Rear Admiral A.D. Günther

Poser, former chief of NATO's Espionage Division, said in Munich that the European Security conference (CSCE) only served to "deceive the people of the West on their security situation."

It is entirely possible that the think-tank circles which produced this "prediction" actually believe in such a far-away deadline. But in view of the reckless haste recently displayed by such Rockefeller operations as the Ford assassination attempts, there is a large margin of danger that these maniacs could miscalculate the Soviet's response, pushing them into a position where they would have to respond militarily.

One piece of evidence which enforces this likelihood is the fact that, in order to "psych up" its own forces for the heightened tensions involved in the Rockefeller-Schlesinger "brinksman-ship" game, NATO and CIA think-tanks regularly practice self-delusion.

New York Times "military expert" Drew Middleton concocted one such monstrous hoax in the Monday issue of that paper. Middleton reports that Jeffrey Record of the Brookings Institution think-tank has suddenly "discovered" that the Soviet Union has a vast military superiority over NATO forces, in complete contradiction with record's earlier claim of "conventional parity" of NATO with the Warsaw Pact. In addition, Record "discovered" that the Warsaw pact forces have a "Blitzkrieg" policy for Western Europe in the event of a provocation.

Just like the "discovery" of Soviet "subversion" of the West through economic cooperation, Record's and Middleton's new claims are absolutely true. In fact, ever since Soviet General Tukachevsky's invasion contingency plans against Nazi Germany, quite openly, Soviet policy has always been that of a Blitzkrieg in the event of a threat to their vital strategic interests. The Warsaw Pact armed forces have also enjoyed obvious military superiority over NATO ever since the latter's formation in 1949.

## Manuevers

Record's revelations of the facts of post-war political life are also aimed at creating an atmosphere of controlled

hysteria, especially amongst Western industrialists engaged in East-West trade. In West Germany, for example, the pro-East-West trade faction in the CDU around Gerhard Stoltenberg still has a strong anti-Red streak, which time and time again over the post-war period has been manipulated to keep them tied to the Rockefeller agents within the same party.

NATO is complementing its brinksman-ship hysteria with the largest West German Army military maneuvers ever held, to be followed with a U.S. airlift of brigade level, combat units into West Germany to participate in further large-scale maneuvers, in close proximity to the East German border. The units will include two brigades of the First Infantry Division, an armored cavalry regiment, and heavy artillery units, with a portion of the troops to hold — for the first time — joint maneuvers on the North German Plain with a West German division and the British Army Corps.

To oversee all these operations, Rockefeller has sent his own personal plumber, Defense Secretary James Schlesinger. In West Germany, Schlesinger met with West German Defense Minister Leber, and together they issued a joint communique saying they had underestimated the strength of the Warsaw Pact. From there, Schlesinger traveled to France for a tour of nuclear missile headquarters and operational installations. In spite of the virtual press blackout on Schlesinger's activities, there is no doubt he was discussing command and control over nuclear weapons as a means of "back-door" reintegration of France into NATO — i.e., the Schlesinger Doctrine.

Over the weekend, World Bank head (and former Defense Secretary) Robert MacNamara was holed up in Bonn with members of the West German government at the super-secret "Tidewater Conference."

West German Chancellor Helmut Schmidt left Bonn today for the United States, where he will join in a summit meeting with President Ford, and French President Giscard d'Estaing. The European heads will be asked to act as policemen for the destruction of their own economies.

## **Special Feature**

# **The Case of Patricia Campbell Hearst**

Sept. 30 — Present lurid newspaper accounts portraying Patricia Hearst as contradicting her sworn affidavit by maintaining in effect that she is still a revolutionary contain this germ of truth: in her present circumstances it is quite lawful and highly probable that she is slipping back and forth between the approximation of the real Patricia reflected in her affidavit and the gun-toting terrorist "Tania" and related pseudo-identities manufactured by her tormentors in the CIA and LEAA.

Patricia Hearst is the victim of a highly professional "hard" brainwashing job — essentially the use of a combination of well-known, voluminously documented psychological techniques, including sensory deprivation, electroshock, chemotherapy, Pavlovian conditioning, computerized belief restructuring, etc. to effect programmed behavior modification. In essence, the normally neurotic young student Patricia Hearst was subjected to a total psychological assault which virtually wiped out her mature ego-identity. Then she was given a set of one or more psychotic pseudo-identities — Tania, et al. — superimposed on the trapped, agonized remnants of the real person. It is entirely possible she was programmed to kill, and did kill.

The degree of psychological sophistication and hardware required to perform that hideous operation are such that it could only have been carried out by U.S. intelligence agencies under the direction of the National Security Council, as this newspaper has asserted since March, 1974. Patricia Hearst was not merely "threatened," "coerced," or "terrorized;" she was clinically brainwashed.

The purpose of the operation was to create a dramatic "terrorist" story whose wide publicity would serve to facilitate the manipulation of the population into accepting police-state measures, simultaneously smearing working-class organizers by portraying the terrorists and their sympathizers as "leftists."

Our authority for these statements as an organization rests on a scientific comprehension of mental functioning approached only by a relatively small number of qualified psychoanalysts, and demonstrated in practice by our successful deprogramming of Labor Committee members Konstantin George and Christopher White after their brainwashing at the hands of NATO intelligence agencies during 1973.

### **The Affidavit**

The point is made to forestall unwarranted conclusions that our argument is based on accepting as unconditional literal truth the affidavit submitted by Patricia and her parents in support of their request for bail. While the affidavit, viewed in a proper scientific context, is powerful evidence demonstrating the brain-

washing, individual particulars in it may well be deliberate inaccuracies and falsifications induced by the brainwashers themselves. It is especially vital that the Hearst legal counsel and others trying to provide Patricia Hearst with competent medical care and get to the bottom of the affair do not become disoriented upon that point; moreover, if it is fully comprehended by investigators, even those statements picturing her as "acting of her own free will" — in Rolling Stone, etc. — actually further confirm the brainwashing.

To take a prominent example — Patricia's affidavit records her belief that her captors kept her locked in a closet for "an interminable length of time, which seemed to her to be weeks." In fact she spent no more than two to ten days actually locked in the closet; that is all the time required to induce psychosis in a person of her age and background.

The basic technique involved in this initial phase of brainwashing is known as sensory deprivation. Subjects are placed in a controlled environment where all sensory stimuli — sound, light, smell and touch — remain constant or are altogether eliminated. In simple blacked-out soundproof rooms "little by little their brains go dead or slip out of control," as one brainwasher has reported. Another psychologist comments, "Even in 24 hours, all the horror phantoms of childhood are awakened..."

### **Phase Two**

Patricia's report that "When the blindfold was removed, she felt as if she were on some LSD trip; everything was big and distorted" corresponds to that phase after the initial softening up process when to proceed with the brainwashing, her captors would necessarily have had to rely on "psychological techniques and hardware" — drugs, shock, etc., beyond the scope of the already brainwashed zombies of the Symbionese Liberation Army.

The efficacy of such "aversive conditioning" techniques as electroshock is demonstrated by such instances as the case recorded by a Detroit psychiatrist who used it in combination with persona-stripping techniques to reduce a female adult to a state of infancy in which she gratefully accepted bottle feedings. The woman was then allowed to "grow up" into a new identity with a different name.

Preparing the new identity is frequently accomplished by such Pavlovian methods as showing the victim sexually stimulating filmstrips of men and/or women while simultaneously administering electric shocks to the genitals; or conversely, rewarding the victim when he or she responds erotically to, say, the image of a sheep on the screen.

The dynamic of self-aggravating terror and isolation which is the hallmark of this conditioning process is evident in Patricia's repeated statements in the affidavit that she felt as if "no one cared if she lived or died...her mother and father had abandoned her..." By March 9, a month after her kidnapping, she had addressed her parents on tape, "How would you feel if you had been written off the way I seem to have been? I'm starting to think no one is concerned about me any more."

Such statements indicate that brainwashers had reduced Patricia, by repetitive attacks of the character "You're shit, no one could love you, etc." in conjunction with such self-degrading torture as that described above, to the most abject infantile dependency. At approximately this point, the affidavit reports "she could stand for only 60 seconds or so and would then fall to the ground."

In this second stage of the conditioning process, it is highly probable that certain programming features were introduced to block the process itself from Patricia's memory. This can be accomplished easily with the aid of certain drugs. It is also possible to induce the subject to go into the programmed state whenever a certain stimulus is present. Thus, the radio which the affidavit mentions as constantly playing throughout the first weeks of Patricia's ordeal, could have been linked in her mind to the closet so that whenever she heard the radio she was convinced she was again locked in the closet, cowering in her own excrement.

#### "Little Me"

These refinements of brainwashing technology are only the means to "get at" the psychological potential for manipulation inherent in virtually anyone.

Long before the kidnapping, her brainwashers had worked up a detailed psychological profile of Patricia Hearst, mapping the repressed hatred mixed with guilt she harbored toward her parents — probably especially toward her mother. Tapping this guilt would help the brainwasher convince Patricia that she had been abandoned by exploiting her feeling she deserved to be. After all, hadn't she wished her mother were dead, etc?

It is not necessary to have a detailed psychological profile of Patricia Hearst in order to understand the basics of the process. Because individuals in bourgeois society view themselves as an epiphenomenal "little me" hidden beneath a persona-mask they show the outside world, the mere stripping away of this persona produces feelings of fraud and guilt. "I'm really this worthless creature."

This infantile ego, a set of fixed responses, vestigial remains from early childhood, can as the stripping process proceeds, be manipulated into acts of repeated and increasing self-degradation with horrifying predictability. As the Labor Committees have demonstrated, the mental processes characteristic of this infantile ego can be fully replicated on a computer (Gallagher, Artificial Intelligence, The Campaigner, Vol. 8, No. 7).

Thus the very acts of tape recording the appeals to her parents, of having her photograph taken in front of the seven-headed cobra of the Symbionese Liberation Army, for example, may well have been used both to produce the guilt and provide the "model" for conditioning Patricia to her new identity as Tania.

#### "Tania"

Under the extreme pressure of a controlled aversive environment in which Patricia was informed over and over again by her captors that "we are everywhere," and that she would be murdered if she attempted to leave the "safety" of the terrorist underground, her participation in the bank robbery as reported in the affidavit constitutes the probable culmination of such a self-feeding process of degradation. It was probably the extreme stress crystallized by that event which pushed Patricia Hearst over the edge into her new pseudo-identity Tania. In psychoanalytical terminology Patricia developed a reaction formation.

The essential mechanism of this process is best illustrated by reference to the phenomenon of prisoners' identification with the guards in Nazi concentration camps, first described by psychologist Bruno Bettelheim. Ultimately Jewish prisoners in the camps would actually fight to wear clothing and insignia in imitation of the SS.

With the preconditioning outlined above, sex was probably used as a complementary trigger setting off Tania as an independent identity. At the point when Patricia felt her real mother was utterly beyond reach, the offer of a surrogate mother, the chance to satisfy her now thoroughly infantilized appetite for affection through sexual relations with a member of the group, would have served to confirm Patricia in her new identity. Her reported affairs with now dead SLA member William Wolfe (Cujo) and present stories that she was living with Steven Soliah at the time of her arrest should be viewed in that light.

#### The Choice

The reader should now be in a position to assess the Rolling Stone source's claim that Patricia "voluntarily" joined the SLA; at the point of psychological death, Patricia Campbell Hearst may well have begged the monsters who destroyed her mind for the privilege of living out her life as a zombie. She may have pleaded for the opportunity to act out their insane "revolutionary" scripts.

Patricia's partial liberation from this nightmare was achieved only when "her mother, her father and her sisters hugged and kissed her" after her capture. This portion of her affidavit has the overwhelming ring of truth and corresponds precisely to the Labor Committees' clinical experience with brainwashing; when contact with the real parents and real life circumstances prior to the brainwashing is re-established, the controlled environment is broken.

But before deprogramming, the brainwashers' control can also be reestablished by returning the victim to the terror of the controlled environment. The conditions under which Patricia Hearst is currently being held — not only her detention in the aversive environment of a jail, but the deliberate attempts being made to enhance her paranoia typified by the trick of recording her conversations, then publicizing them in the press, placing SLA member Emily Harris in the next cell and otherwise doing everything possible to retrigger Tania and related identities and then torture Patricia with her own contradictions — will, if she does not receive treatment by one of the relative handful of psychoanalysts capable of handling her deprogramming, result in her total mental collapse. Her attorneys have already reported a deterioration in her condition.

In fact, the intelligence agencies in charge of Patricia Hearst's case are doing their best to ensure that she is turned into a psychotic vegetable. Of the three psychiatrists appointed by the court to conduct in-depth examinations of Patricia, at least one, L. "Jolly" West, is a certified brainwasher himself.

West, who heads the Psychiatric Department at the UCLA medical school, is notorious as an advocate of lobotomy, electroshock, and other methods of menticide; his status as a Nuremberg criminal is so well known that the LEAA has been unable to go through with its planned massive brainwashing complex under Jolly's

direction because of the bitter opposition his name evokes.

#### Defense Strategy

A competent legal defense strategy for Patricia Hearst must include (1) a vigorous search for competent, humanistically-oriented psychoanalysts to begin deprogramming; (2) continuing efforts to free her from the controlled environment of prison where she is further victimized by Nazi Doctors and mentcidal medical practices; and (3) a political defense which goes directly for the jugular by naming the National Security Council, the CIA, the LEAA and U.S. intelligence services as criminals guilty of menticide against Patricia Hearst. Evidence already in the public domain, including the Labor Committee's year-and-a-half old exposure of the test-tube manufacture of the Symbionese Liberation Army and its leader Donald De Freeze at the LEAA's Vacaville, Cal. correctional facility and the identification of CIA agent Colton Westbrook as the key figure in the operation made more than a year ago by independent investigator Donald Freed, provides a sound starting point for a comprehensive public investigation.

Every man, woman and child in the USA has a reason to support such a defense for Patricia Hearst. It is not only a matter of elementary human justice; without nailing the murderers ultimately responsible for this crime, National Security Council head Kissinger and his boss Nelson Rockefeller, no one of us is safe.

AN EDITORIAL IN THE SEPT. 23 ATH-THAWRA, THE OFFICIAL ORGAN OF THE ARAB BAATH SOCIALIST PARTY OF IRAQ, STATES THAT THE SYRIAN REGIME HAS NEW POSSIBILITIES TO REALIZE WHAT THE LEBANESE RIGHT-WING FAILED (TO ACCOMPLISH): "--THE DESTRUCTION OF THE LEFT." "SYRIA WILL FIND ITSELF INVITED TO SUPERVISE THE FORMATION OF A MILITARY GOVERNMENT (IN LEBANON)," EDITORIALIST OMAR IBRAHIM WRITES. TIMES TAKES HARD LINE AGAINST SOVIETS

BROOKINGS THING-TANKER ASSERTS  
SOVIETS ACCEPT LIMITED NUCLEAR WAR CONCEPT

SEPT. 30 (IPS) -- A JUST-ISSUED STUDY OF SOVIET MILITARY POLICY BY BROOKINGS INSTITUTION MILITARY SPECIALIST JEFFREY RECORD ASSERTS THAT RECENT CHANGES IN SOVIET MILITARY PROGRAMS STEM FROM "AT LEAST TENTATIVE ACCEPTANCE" OF A LIMITED NUCLEAR WAR. LAST SPRING, THE SOVIETS HEATEDLY DENIED SIMILAR ASSESSMENTS OF THEIR MILITARY STRATEGY BY RECORD AND OTHERS, STATING UNEQUIVOCALLY THAT SOVIET POLICY HAS BEEN AND REMAINS ONE OF "MUTUALLY ASSURED DESTRUCTION" IN WHICH ANY "LIMITED" NUCLEAR ATTACK BY WESTERN FORCES WILL BE MET WITH A FULL-SCALE SOVIET NUCLEAR RETALIATION.

RECORD'S LATEST REPORT, ACCORDING TO CIA CONDUIT AND MILITARY WRITER DREW MIDDLETON IN TODAY'S NEW YORK TIMES, DELCARES THAT THE SOVIET HIGH COMMAND IS COMMITTED TO AN OFFENSIVE DOCTRINE, BASED ON "A SHORT, INTENSE BLITZKRIEG." THUS, RECORD CLAIMS, THE SOVIETS HAVE RE-EMPHASIZED THE ROLE OF GROUND FORCES AND A SECURE NUCLEAR RETALIATORY POLICY THAT DOES NOT RELY ON STRATEGIC MISSES.

A DEFENSE DEPARTMENT AIDE QUOTED BY MIDDLETON CONFIRMS THAT RECORD IS FLOATING THE PROPOSAL ON BEHALF OF SECRETARY OF DEFENSE JAMES R. SCHLESINGER. RECORD "IS ON OUR SIDE," THE AIDE SAID. THE PARANOIA SPARKING SUCH INSANE AND PROVOCATIVE PLANS WAS EVIDENT WHEN IPS REACHED RECORD HIMSELF FOR COMMENT. RECORD ONLY REPEATED HYSTERICALLY, "YOU'RE KGB, YOU'RE KGB."

ISSUANCE OF THE REPORT WAS PROVOCATIVELY TIMED TO COINCIDE WITH NATO-WARSAW PACT ARMS-REDUCTION TALKS JUST BEGINNING IN VIENNA.

SINCE INFLATION AND UNEMPLOYMENT CONTINUE TO PERSIST IN OUR "FREE ECONOMY," THE JOURNAL OF COMMERCE LAUDS BURNS FOR NOT LIVING IN A STATE OF "MONEY ILLUSION" AND GOES ON TO QUOTE HIM AT LENGTH: "THERE WOULD BE A REVIEW OF LAWS AFFECTING THE LABOR MARKETS INCLUDING THE MINIMUM WAGE LAW AND THE UNEMPLOYMENT COMPENSATION SYSTEM WHICH MAY BE BLUNTING INCENTIVES TO WORK." "THE CHIEF ALLURE OF THE GOVERNMENT BECOMING THE EMPLOYER OF LAST RESORT WOULD BE THAT ALL INVOLUNTARY UNEMPLOYMENT WOULD BE ELIMINATED. HIGHLY PLACED U.S. GOVERNMENT OFFICIAL  
CALLS KISSINGER/SCHLESINGER CONFRONTATION WITH THE USSR A BLUFF —  
HAVING NOTHING TO DO WITH ADMINISTRATION POLICY

WASHINGTON, D.C., OCT. 1 (IPS)—A HIGHLY PLACED U.S. GOVERNMENT SPOKESMAN CONFIDED TO A U.S. LABOR PARTY SPOKESMAN TODAY THAT THE CURRENT KISSINGER/SCHLESINGER "THINK-TANK" CONFRONTATION OF THE SOVIET UNION IS "PSYWAR" WHICH IS CONTRARY TO U.S. GOVERNMENT POLICY. THE SOURCE REPORTED THAT HE AND OTHER HIGHLY PLACED GOVERNMENT OFFICIALS, WERE PARTICULARLY PUZZLED BY "ALL THAT TALK OF LIMITING U.S.-SOVIET TRADE" EMANATING FROM NATO SOURCES, AT A TIME WHEN VARIOUS U.S. GOVERNMENT AGENCIES ARE MAPPING OUT PLANS TO EXPAND SUCH TRADE.

THE SOURCE EMPHASIZED THAT THE OPERATION WAS A PRIVATE "PSYWAR" DIRECTED BY AGENCIES OUTSIDE OF THE GOVERNMENT, IN CONJUNCTION WITH SECRETARY OF STATE HENRY KISSINGER AND SECRETARY OF DEFENSE JAMES SCHLESINGER. THESE AGENCIES ARE ATTEMPTING TO "CHANGE THE POLITICAL AND ECONOMIC PRIORITIES OF THE RUSSIANS," THE SOURCE ADDED. "THERE IS TOO MUCH PRESSURE FROM INDUSTRIALISTS ON THE OTHER END TO LIBERALIZE, (EAST-WEST RELATIONS)", HE CONTINUED.

JUSTICE DEPARTMENT PROMISES DECISION  
ON LABELLING NCLC "SUBVERSIVE UNDER MCCARRAN ACT"

TORONTO, OCT. 1 (IPS)--THE U.S. DEPARTMENT OF JUSTICE WAS FORCED YESTERDAY TO PROMISE A PUBLIC DECLARATION WITHIN 14 DAYS ON WHETHER SECTION 28 OF THE U.S. IMMIGRATION CODE (THE MCCARRAN OR COMMUNIST CONTROL ACT OF 1950) IS APPLICABLE TO THE NATIONAL CAUCUS OF LABOR COMMITTEES (NCLC). THE PLEDGE WAS WRUNG FROM IMMIGRATION OFFICIALS BY ATTORNEYS FOR MRS. POLLY SKINNER JOHNSON -- A CANADIAN NATIONAL WHO IS A MEMBER OF THE NCLC AND IS MARRIED TO A U.S. CITIZEN RESIDING IN THE UNITED STATES -- AT A HEARING ON HER APPLICATION FOR A PERMANENT RESIDENT VISA TO THE U.S.

THE U.S. ISSUED THE PLEDGE AFTER REPRESENTATIVES FROM THE U.S. CONSULATE IN TORONTO AND THE IMMIGRATION SERVICE DISAGREED ON WHETHER THE MCCARRAN ACT SHOULD BE INVOKED AS GROUNDS FOR REJECTING MRS. JOHNSON'S APPLICATION. AT ONE POINT IMMIGRATION OFFICER MASON ATTEMPTED TO JUSTIFY MRS. JOHNSON'S EXCLUSION FROM THE U.S. BY A LETTER FROM THE FBI DESCRIBING THE "NCLC AS A VIOLENCE-PRONE MARXIST GROUP UNDER INVESTIGATION BY THE FBI."

BUT THE U.S. CONSUL GENERAL IN TORONTO NERVOUSLY OBJECTED THAT "ONE MAN'S OPINION" COULD NOT SERVE AS THE BASIS FOR A DECISION ON A MATTER OF FUNDAMENTAL CIVIL LIBERTIES.

JOHNSON'S ATTORNEYS WERE THEN NOTIFIED THAT THE U.S. STATE DEPARTMENT HAD INFORMED THE CONSUL THAT THEY HAD NO FORMAL POLICY ON THE NCLC AND WERE REFERRING THE APPLICATION TO THE DEPARTMENT OF JUSTICE.

IF THE JUSTICE DEPARTMENT DOES ATTEMPT TO APPLY THE MCCARRAN ACT TO THE NCLC, NCLC ATTORNEYS HAVE PROMISED TO SUE TO HAVE THE DECISION OVERTURNED.

#### USTASHI-LINKED MAYOR DEFEATED IN CLEVELAND ELECTION

CLEVELAND, OCT. 1 (IPS)--CLEVELAND'S REPUBLICAN MAYOR RALPH PERK -- UNABLE TO SHED HIS REPUTATION AS A REPRESENTATIVE OF CLEVELAND'S NETWORK OF NAZI "USTASHIS" -- RAN A POOR SECOND IN YESTERDAY'S MAYORAL PRIMARY. PERK POLLED 45,000 VOTES TO 49,000 VOTES FOR DEMOCRATIC CHALLENGER ARNOLD PINKNEY. ALTHOUGH THE RETURNS WERE TAINTED BY THE VOTE THEFT COMMITTED AGAINST USLP CANDIDATE TONY CURRY, PINKNEY IS EXPECTED TO EASILY DEFEAT PERK IN THE NOVEMBER GENERAL ELECTION.

OBSERVERS HERE ATTRIBUTE PERK'S DEFEAT TO CURRY'S CAMAPIGN EXPOSING PERK'S HEAVY INVOLVEMENT IN CLEVELAND'S "USTASHI" NETWORK OF EAST EUROPEAN EX-NAZIS. THE USTASHI COMMUNITY NOW PLAYS A CENTRAL ROLE IN A NETWORK OF IN-PLANT DRUG-RUNNING AND TERROR AIMED AT WORKERS IN CLEVELAND'S NUMEROUS FACTORIES. LAST NIGHT, CURRY, WHO FINISHED BEHIND PERK AND PINKNEY IN THE PRIMARY, APPEARED ON MORE THAN TEN AREA RADIO BROADCASTS ANNOUNCING A WRITE-IN CAMPAIGN FOR NOVEMBER, AND PLEDGING TO CONTINUE HIS PUSH AGAINST THE USTASHI.

THE DAY BEFORE THE ELECTION, THE LABOR PARTY RECEIVED NUMEROUS DEATH THREATS FROM TERRIFIED USTASHI. ONE CALLER WHO IDENTIFIED HIMSELF AS JEROME BRENTAR, HEAD OF THE AREA USTASHI MACHINE AND OWNER OF THE EUROPA TRAVEL AGENCY -- A COMPANY WHICH SMUGGLES EX-NAZIS INTO THE MIDWEST, NERVOUSLY ASKED CURRY IF THE USLP PLANNED TO CONTINUE ITS DRIVE AGAINST THE NAZIS FOLLOWING THE PRIMARIES.

IN INTERVIENS YESTERDAY, CURRY BLASTED THE MASSIVE THEFT OF HIS VOTES IN THE PRIMARY, CLEVELAND'S FIRST COMPUTERIZED ELECTION. CURRY'S VOTE TOTAL DROPPED FROM 3.5 PER CENT IN THE EARLY RETURNS TO AN ABSURD TOTAL OF 320 IN THE FINAL RETURNS LAST NIGHT.

"COMPUTER FLUNK," AN ARTICLE IN A CLEVELAND NEWSPAPER TODAY, REPORTS THAT THE COMPUTER GAVE ZERO VOTES TO COUNCILMAN TUNNEL, WHO WON RE-ELECTION ACCORDING TO TALLIES COMPILED BY TRADITIONAL VOTE COUNTING METHODS.

#### SECURITIES MARKETS FOLD

OCT. 1 (IPS)--THE GROWING PANIC OVER THE LIKELY NEW YORK CITY DEFAULT, TOGETHER WITH TREASURY SECRETARY WILLAIM SIMON'S UPING OF THE ESTIMATE FEDERAL DEFICIT ON MONDAY, NEARLY HALTED TRADING ON THE NEW YORK GOVERNMENT, CORPORATE, AND MUNICIPAL SECURITIES MARKETS TODAY.

FOR THE SECOND STRAIGHT DAY, BOND TRADERS COULD FIND NO BIDS FOR NEW YORK STATE NOTES. TRADERS REPORTED LITTLE MOTION IN ANYTHING ELSE. SAID ONE TRADER FOR A LEADING DEALER IN U.S. TREASURY SECURITIES: "THIS WOULD BE A GOOD DAY TO GO TO THE BEACH AND NOT TO PLAY THE BOND MARKET."

BOSTON ELECTION BOARD TAMPERS  
WITH VOTE FRAUD EVIDENCE

BOSTON, OCT. 1 (IPS)--THE BOSTON BOARD OF ELECTIONS HAS REMOVED 100 VOTES FROM THE TOTAL RECEIVED IN LAST WEEK'S MAYORAL PRIMARY BY LABOR PARTY CANDIDATE ROBERT GIBBONS IN ONE NEATHY BACK BAY PRECINCT. THE DECISION, ANNOUNCED SEPT. 29, WAS MADE AS GIBBONS' ATTORNEYS WERE PREPARING A LAWSUIT WHICH WILL CITE THE PRECINCT, WHERE GIBBONS OFFICIALLY RECEIVED 25 PER CENT OF THE VOTE, AS ONE IN WHICH THE LAW ENFORCEMENT ASSISTANCE ADMINISTRATION HAD FORGOTTEN TO PROGRAM VOTING MACHINES TO STEAL USLP COTES.

PRE-ELECTION POLLS BY THE USLP AND OTHERS HAD GENERALLY GIVEN THE USLP BETWEEN 20 AND 40 PER CENT OF THE VOTE. BUT, OFFICIAL TOTALS - WHICH, IT IS WIDELY BELIEVED HERE, WERE DOCTORED BY THE LEAA, WHICH CONTROLS THE ADMINISTRATION OF UNPOPULAR INCUMBENT MAYOR KEVIN WHITE--GAVE GIBBONS LESS THAN 1 PER CENT, AND NO MORE THEN TEN VOTES IN ANY PRECINCT IN THE CITY. IN ONE DORCHESTER PRECINCT IN WHICH THE USLP WAS OFFICIALLY CREDITED WITH NO VOTES, 6 OF THE FIRST 12 VOTERS SIGNED AFFIDAVITS SAYING THAT THEY HAD VOTED FOR GIBBONS BEFORE LEAA POLICE ARRESTED THE USLPERS WHO WERE COLLECTING THE AFFIDAVITS.

TETHER SEES NEW YORK CITY DEBT MORATORIUM,

U.S. BANKING COLLAPSE

OCT. 1 (IPS)--LONDON FINANCIAL TIMES COLUMNIST GORDON TETHER WRITES TODAY THAT A NEW YORK CITY DEBT MORATORIUM IS INCREASINGLY LIKELY AND COULD SHATTER THE ENTIRE U.S. BANKING SYSTEM. ACCORDING TO TETHER, THERE ARE TWO "CLOUDS ON THE HORIZON" FOR AMERICAN BANKERS: "THE FIRST...CONSISTS IN THE DANGER OF AMERICAN BANKING HOUSES BEING GRAVELY EMBARRASSED BY THE NEED FOR THE CITY OF NEW YORK TO DECLARE A MORATORIUM ON ITS DEBTS -- A POSSIBILITY THAT NO LONGER CAN BE DISMISSED AS UNTHINKABLE." THE SECOND, TETHER WRITES, ARISIS "FROM THE POSSIBILITY THAT SOME OF THE LESS-DEVELOPED COUNTRIES WILL BE FORCED TO DEFAULT ON THEIR LOAN REPAYMENTS BY THE NEW DETERIORATION IN THEIR EXTERNAL PAYMENT CIRCUMSTANCES." THIS, THE NOTED COLUMNIST SAYS MAY BE THE "LAST STRAW" FOR THE U.S. BANKING SYSTEM.

HEALEY REMOVED FROM BRITISH LABOUR PARTY EXECUTIVE

OCT. 1 (IPS)--DENIS HEALEY, BRITAIN'S PRO-ROCKEFELLER CHANCELLOR OF THE EXCHEQUER, WAS REMOVED FROM MEMBERSHIP ON THE LABOUR PARTY NATIONAL EXECUTIVE COMMITTEE AND REPLACED BY LEFT-WINGER ERIC HEFFER DURING TH LABOR PARTY CONFERENCE, REPORTS THE NEW YORK TIMES. HEALEY'S DEFEAT WAS ATTRIBUTED TO EFFORTS WITHIN LOCAL LABOUR CONSTITUENCIES TO PRESSURE THE GOVERNMENT INTO CARRYING OUT THE MORE LEFT-WING POLICIES IN THE PARTY'S MANIFESTO.

SPANISH MILITARY TO REPLACE FRANCO WITH JUAN CARLOS?

OCT. 1 (IPS)--SPANISH DICTATOR FRANCISCO FRANCO MAY SOON BE REPLACED BY PRINCE JUAN CARLOS, HIS DESIGNATED SUCCESSOR, WITH PRODDING FROM THE SPANISH MILITARY, ACCORDING TO THE YESTERDAY'S WASHINGTON POST AND BALTIMORE SUN.

THE SUN EDITORIAL TODAY POINTS TO SIGNS OF LIFE AMONG SECTIONS OF THE SPANISH MILITARY WHO HAVE GROWN DISENCHANTED WITH THE FRANCO REGIME.

THE POST STATES THAT NEW PRESSURES ON SPAIN CREATE "THE POSSIBILITY THAT THE MILITARY MAY FORCE FRANCO TO CEDE POWER TO ... CARLOS OR MAY FORCE HIM FROM OFFICE..."

THE FRANCO REGIME HAS COME UNDER INCREASING INTERNATIONAL ATTACK FOLLOWING THE EXECUTION OF FIVE ALLEGED TERRORISTS LAST WEEK. JUAN CARLOS, THE SUCCESSOR TO THE SPANISH THRONE, IS REPORTED TO BE THE DARLING OF THE MILITARY, ESPECIALLY MEMBERS OF THE OFFICER CORPS.

FOUR POLICEMEN KILLED IN MADRID; PRO-FASCISTS DEMONSTRATE

OCT. 1 (IPS)--FOUR SPANISH POLICEMEN WERE SHOT AND KILLED ON THE OUTSKIRTS OF MADRID YESTERDAY, ACCORDING TO A SPANISH GOVERNMENT OFFICIAL IN NEW YORK. IN ONE INCIDENT, TERRORISTS ENTERED A MADRID BANK, SHOT A GUARD, AND FLED INTO A WAITING CAR.

THE SHOOTINGS OCCURRED WHILE A RALLY OF 300,000 SUPPORTERS OF THE SPANISH FASCIST REGIME WAS UNDERWAY IN DOWNTOWN MADRID, ACCORDING TO THE ITALIAN DAILY LA STAMPA.

THE CIA, WHICH CONTROLS THE SPANISH URBAN TERRORISTS, IS BELIEVED TO BE RESPONSIBLE FOR MUCH OF THE TURMOIL ENGULFING SPAIN.

CHICAGO TRIBUNE: "GOD SAVE US FROM ROCKY"

OCT. 1 (IPS)--IN A FRONT PAGE ARTICLE IN TODAY'S CHICAGO TRIBUNE, ENTITLED "GOD SAVE US FRO ROCKY", COLUMNIST JACK MABLEY CALLS FOR EXCEPTIONAL PROTECTION OF PRESIDENT GERALD FORD -- WHO WILL VISIT CHICAGO TODAY -- BECAUSE OF "THE NEED TO PROTECT THE OFFICE FROM THE ASCENSION OF NELSON ROCKEFELLER" SHOULD FORD BE ASSASSINATED. NOTING THAT ROCKEFELLER HAS "NEVER COME CLOSE TO REACHING HIS GOAL OF THE PRESIDENCY THROUGH THE ELECTORAL PROCESSES," MABLEY CHARGES THAT ROCKEFELLER "COMES ACROSS AS A MAN WHO WILL USE MONEY TO GET ANYTHING HE WANTS." "ROCKEFELLER IS JUST BAD NEWS," MABLEY CONTINUES, "HE NEARLY BANKRUPTED NEW YORK STATE... HIS LATEST MISCHIEF IS THE ENERGY INDEPENDENCE AUTHORITY...A \$100 BILLION HANDOUT TO SOME OF THE MOST POWERFUL CORPORATIONS IN AMERICA."

(MORE)

MOREOVER, MABLEY SAYS, "THE VULGARITY OF THAT BED IN HIS NEW WASHINGTON MANSION IS SOMETHING YOU'D EXPECT FROM WOMEN'S WEAR DAILY'S BEAUTIFUL PEOPLE, NOT FROM A MAN WHO ASPIRES TO LEAD THE NATION."

TIMES HELPS TRIGGER NEW CITY CRISIS

OCT. 1 (IPS)—A FRONT-PAGE ARTICLE IN TODAY'S NEW YORK TIMES, "BANKS RESISTING NEW STATE ISSUE OF NOTES FOR CITY," IS A DELIBERATE DISTORTION, INTENDED TO HELP DETONATE ANOTHER "MANAGED" CRISIS

IN WHICH STILL GREATER LEVELS OF AUSTERITY ARE DEMANDED FROM THE CITY POPULATION. IN ACTUALITY, THE \$500 MILLION STATE NOTE ISSUE WAS TO BE SOLD TO THE GENERAL PUBLIC NOT JUST THE BANKS.

THE PSYCHOLOGICAL IMPACT OF THE FINANCIAL COMMUNITY OF SUCH TIMES COVERAGE IS TO ENSURE THAT A BOND MARKET COLLAPSE OCCURS. THE IMPENDING CITY DEFAULT CAN THUS BE USED TO FORCE ADDITIONAL LAYOFFS OF CITY WORKERS AND SLASHES IN SERVICES.

GOV. CAREY ANNOUNCED YESTERDAY THAT THE NEWLY NEGOTIATED CITY TEACHER'S CONTRACT WOULD HAVE TO BE VOIDED BECAUSE IT DID NOT MEET THE REQUIREMENTS OF THE NEW BANK-RUN EMERGENCY FINANCIAL CONTROL BOARD, THAT EFFECTIVELY CONTROLS NEW YORK CITY.

JUSUF ATTACKED THE ROLE OF THE THIRD WORLD AS "COMPLEMENTARY" RAW MATERIAL SUPPLIERS TO THE ADVANCED CAPITALIST COUNTRIES. HE POINTED OUT THAT THE REAL QUESTION FOR THE THIRD WORLD IS NOT GETTING GOOD PRICES FOR RAW MATERIALS, BUT GETTING TECHNOLOGICAL DEVELOPMENT. JUSUF CONCLUDED BY ATTACKING THE INTERNATIONAL MONETARY FUND'S (IMF) SYSTEM OF SPECIAL DRAWING RIGHTS ("PAPER GOLD") AS ANTI-THIRD WORLD BECAUSE IT DOES NOT FACILITATE THE NEEDED FLOW OF CREDIT TO THOSE COUNTRIES FOR DEVELOPMENT. THIS ABRUPT SHIFT IN DEFENSE STRATEGY, IF CARRIED THROUGH, WILL GUARANTEE MISS HEARST'S CONVICTION FOR HER VICTIMIZATION AT THE HANDS OF THE ROCKEFELLERS' TERRORIST ORGANIZATION.

YESTERDAY'S NEW YORK POST ATTRIBUTED THE POSSIBILITY OF A SHIFT IN DEFENSE STRATEGY TO PANIC BY HEARST CORPORATION LAWYERS OVER THE VIOLENT EFFORTS BY THE ROCKEFELLER PRESS AND LEGAL MACHINE TO DISCREDIT MISS HEARST'S CLAIM THAT SHE WAS BRAINWASHED.

DAVIS ALSO REVEALED THAT ANOTHER PLOT UNCOVERED DURING THE SAME PERIOD BY AN ATF AGENT, INVOLVING AN UNNAMED MILITANT GROUP, WAS TURNED OVER TO THE SECRET SERVICE.

READING JUDGE REFUSES TO PROTECT USLP LIFE AGAINST GUN-RUNNER

READING, PA., OCT. 2 (IPS) -- CHARGES FILED BY USLP CANDIDATE MIKE BRENNAN AGAINST LIEUTENANT PAUL GOLDBERG, HEAD OF THE READING POLICE INTELLIGENCE UNIT AND ONE OF THE WELL-KNOWN PERSONALITIES INVOLVED IN THE READING GUN-RUNNING OPERATION OF THE NATIONAL SECURITY COUNCIL, WERE DROPPED BY THE AREA'S DISTRICT JUSTICE TWO DAYS AGO. GOLDBERG HAD BEEN CHARGED WITH MAKING NUMEROUS THREATS ON BRENNAN'S LIFE AFTER THE LABOR PARTY LAUNCHED A HIGH-POWERED EXPOSE OF LOCAL GUN AND DRUG-RUNNING, CITING GOLDBERG AS ONE OF THE KEY OPERATIVES.

### SCHLESINGER DECLARES FRANCE DE FACTO NATO MEMBER

OCT. 2 (IPS)—U.S. DEFENSE SECRETARY JAMES SCHLESINGER DECLARED IN PARIS YESTERDAY THAT, "THERE IS NO NEED FOR FRANCE TO BE IN THE NATO INTEGRATED COMMAND STRUCTURE IN ORDER TO PARTICIPATE FULLY WITH THE ALLIANCE," ACCORDING TO TODAY'S BALTIMORE SUN. SCHLESINGER—WHO ISSUED THE STATEMENT FOLLOWING MEETINGS WITH FRENCH PRESIDENT GISCARD D'ESTAING, FOREIGN MINISTER JEAN SAUVAGNARGUES, AND DEFENSE MINISTER BOURGES—DESCRIBED FRANCE'S NUCLEAR FORCES AS "ESSENTIAL" TO THE ALLIANCE, AND PREDICTED THAT "THE PATTERN OF COOPERATION WILL BE REINFORCED." FRANCE'S NUCLEAR "FORCE DE FRAPPE" HAS A CLOSE, BUT UNOFFICIAL RELATIONSHIP TO THE NATO COMMANDERS.

IT IS KNOWN THAT PRESIDENT GISCARD WOULD LIKE TO FULLY REINTEGRATE THE FRENCH ARMED FORCES INTO THE NATO COMMAND BUT IS PREVENTED FROM DOING SO BY FRANCE'S GAULLISTS. THE LATE PRESIDENT CHARLES DE GAULLE WITHDREW FRENCH FORCES FROM THE NATO COMMAND STRUCTURE IN 1966, ALTHOUGH PRESERVING NOMINAL MEMBERSHIP IN THE ALLIANCE.

### ITALIAN SOCIALISTS MAP EXPANDED ARMS PRODUCTION

OCT. 2 (IPS)—ITALY'S NOMINALLY PACIFIST SOCIALIST PARTY IS PREPARING A REPORT WHICH WILL CALL FOR EXPANDED PRODUCTION BY ITALY'S DEFENSE INDUSTRY, FOR BOTH DOMESTIC AND FOREIGN CONSUMPTION, REPORTS THE WEEKLY PANORAMA. THE REPORT WILL BE PREPARED UNDER THE DIRECTION OF SOCIALIST LEADER MARINO GUADALUPI, PRESIDENT OF THE CHAMBER OF DEPUTIES' DEFENSE COMMISSION.

THE AIM OF THE REPORT, GUADALUPI SAYS, WILL BE TO DIRECT EXPENDITURES OF THE "ENORMOUS" 4.5 TRILLION LIRA WHICH THE ITALIAN PARLIAMENT IS EXPECTED TO APPROVE DURING 1975 TO REHABILITATE THE ARMED FORCES. THE AIM OF THE EXPENDITURES IS FRANKLY ECONOMIC, GUADALUPI ADMITS, ADDING THAT IN A MOMENT OF ECONOMIC CRISIS, ONE CANNOT MAKE TOO MUCH OF "SUBTLE THINGS LIKE PACIFISM AND MORALITY."

GUADALUPI ALSO OBSERVES THAT THE OIL PRODUCERS HAVE A "MOUNTAIN OF MONEY" WHICH, IT SEEMS, THEY ONLY WANT TO USE TO BUY ARMS. OTHER COUNTRIES, SUCH AS WEST GERMANY, FRANCE, AND EVEN PEACEFUL SWEDEN HAVE BECOME ARMS DEALERS TO THE ARABS, HE SAYS, BUT ITALY HAS NOT. "AND THIS WOULD SAVE THOUSANDS OF WORKERS!"

OBSERVERS NOTE THAT, AT THE JUST-CONCLUDED NATO PARLIAMENT, U.S. SECRETARY OF DEFENSE SCHLESINGER LED A PUSH BY PRO-ROCKEFELLER FORCES TO HAVE WESTERN EUROPEAN COUNTRIES EXPAND THEIR ARMS

PRODUCTION TO BUY OFF INDUSTRIALISTS WHO ARE SEEKING EXPANDED ORDERS FROM THE SOVIET BLOC.

PALME CALLS FOR ARMS BUILDUP WHILE US GENERAL VISITS

STOCKHOLM, OCT. 2 (IPS)—SWEDISH PRIME MINISTER OLAF PALME, IN AN ADDRESS BEFORE THE ONGOING CONGRESS OF HIS SOCIAL DEMOCRATIC PARTY, CALLED FOR A MAJOR INCREASE IN SWEDISH DEFENSE EXPENDITURE.

PALME'S PUSH FOR THE INCREASED DEFENSE OUTLAYS SO VICIOUSLY ATTACKED OPPOSITION WITHIN HIS PARTY, ACCORDING TO SWEDISH RADIO REPORTS, THAT A LEADING PARTY SPOKESWOMAN WHO HAD CALLED FOR A FREEZE ON DEFENSE EXPENDITURES, UNDERWENT AN EMOTIONAL BREAKDOWN AND, DURING THE COURSE OF THE ENSUING DEBATE, ENDED UP ATTACKING HER OWN POSITIONS.

AS PALME SPOKE, THE HEAD OF THE U.S. JOINT CHIEFS OF STAFF, GEN. GEORGE BROWN, ARRIVED IN SWEDEN FOR A TWO-DAY VISIT WITH SOCIAL DEMOCRATIC SWEDISH COMMANDER-IN-CHIEF, STIG SYNNERGREN.

RETIRED GENERAL SEEKS TO INCREASE ITALIAN FIGHTER PRODUCTION

OCT. 2 (IPS)--RETIRED GENERAL NINO PASTI HAS CALLED UPON THE ITALIAN GOVERNMENT TO STEP UP PRODUCTION OF THE FIAT G91 JET FIGHTER, IN AN INTERVIEW IN THE LATEST ISSUE OF PANARAMA, THE ITALIAN WEEKLY. THE G91 IS NEEDED TO REPLACE THE OBSOLETE US-BUILT STARFIGHTERS NOW FLOWN BY THE ITALIAN AIR FORCE, WHICH ARE UNSAFE, PASTI CLAIMS. PASTI ALSO CLAIMS THAT HE HAS BEEN FIGHTING FOR THE CHANGEOVER SINCE 1962.

OBSERVERS NOTE THAT THE G91, LIKE THE STARFIGHTER, IS AN OUTDATED JET WHOSE COMBAT USEFULNESS IS RESTRICTED TO GROUND SUPPORT OPERATIONS WHERE THE ENEMY HAS NO AIR COVER, SUCH AS DOMESTIC COUNTERINSURGENCY WARFARE. IT IS FELT THAT, IN ADDITION TO GIVING MORE ORDERS TO ROCKEFELLER-CONTROLLED FIAT, THE PROPOSED EXPANDED PRODUCTION OF THE G91 IS RELATED TO THE REDEPLOYMENT OF ITALIAN ARMY UNITS INTO THE NORTHERN "RED BELT," WHERE THE UNITS WILL BE POSITIONED TO INTERVENE TO QUELL WORKER UNREST.

PCP WARNS OF REACTIONARY OPERATION

OCT. 2 (IPS)--AN APPEAL BY THE POLITICAL COMMISSION OF THE PORTUGUESE COMMUNIST PARTY'S (PCP) CENTRAL COMMITTEE PUBLISHED TODAY IN AVANTE, THE PCP'S NEWSPAPER, CALLS FOR UTMOST VIGILANCE AGAINST REACTIONARY ATTEMPTS. POINTING TO EFFORTS BY THE SOCIALISTS LAST WEDNESDAY NIGHT TO MOBILIZE THE POPULATION MAINLY IN THE NORTH AND CENTRAL REGIONS OF THE COUNTRY AGAINST AN ALLEGED LEFTWING COUP, THE PARTY STRESSES: "ONE CAN CONCLUDE FROM THE EXPERIENCE GAINED IN THE PORTUGUESE REVOLUTION THAT PREPARATIONS FOR A RIGHTWING COUP ARE UNDERWAY WHEN CERTAIN FORCES ANNOUNCE A COUP BY THE LEFT." THE STATEMENT ALSO WARNED AGAINST "PREPARATIONS FOR A LARGE-SCALE OPERATION AGAINST THE DEMOCRATIC SITUATION AND THE REVOLUTIONARY FORCES," ACCORDING TO THE EAST GERMAN NEWS AGENCY.

TO OVERTHROW DEMOCRACY IN PORTUGAL

OCT. 2 (IPS)--LISBON'S PRO-COMMUNIST NEWSPAPERS DIARIO DE NOTI-

CIAS AND O SECULO YESTERDAY REVEALED THE CONTENTS OF A SECRET RIGHTWING PLAN TO "OVERTHROW THE DEMOCRATIC ORDER" IN PORTUGAL. PCP DEFENDS FREEDOM OF THE PRESS:  
PREVENTS MILITARY TAKEOVER OF NEWS MEDIA

OCT. 2 (IPS)--THE MILITARY OCCUPATION OF PORTUGAL'S RADIO AND TELEVISION STATIONS ORDERED BY THE RIGHTWING AZEVEDO GOVERNMENT ENDED YESTERDAY AFTER THE PORTUGUESE COMMUNIST PARTY (PCP) MOBILIZED ITS MILITANTS TO DEFEND FREEDOM OF THE PRESS IN THAT COUNTRY. OCCUPYING SOLDIERS REPORTEDLY SIDED WITH NEWS MEDIA PERSONNEL, AND IN AT LEAST ONE CASE, WOULD NOT LEAVE UNTIL THE GOVERNMENT PROMISED THAT IT WOULD NOT INTERFERE WITH THE FREE EXPRESSION OF PORTUGAL'S INFORMATION ORGANS, ACCORDING TO SEVERAL PRESS SOURCES.

A PCP COMMUNIQUE ON THE ISSUE CONDEMNED THE ATTEMPTED MILITARY TAKEOVER OF THE NEWS MEDIA, WHICH WAS DONE AT THE URGING OF THE CIA-FUNDED PORTUGUESE SOCIALIST PARTY, STATING THAT "IT IS UNACCEPTABLE THAT ANY PARTY OR GROUP SHOULD SEIZE THE MEDIA, ESPECIALLY WITH THE APPLICATION OF FORCE AND COERCION, AND PUT THEM IN THE SERVICE OF THEIR PARTY ORIENTATION AND THEIR OWN POLITICAL ACTIVITY." THE COMMUNIQUE WAS PUBLISHED IN YESTERDAY'S NEUES DEUTSCHLAND.

THE MOVE WAS UNDERTAKEN IN RESPONSE TO AN ARMED MOBILIZATION OF MEMBERS OF THE RIGHTWING PORTUGUESE DEMOCRATIC PARTY (PPD) AND THE CIA-FUNDED PORTUGUESE SOCIALIST PARTY (PSP). THE TWO RIGHTWING PARTIES CLAIM THEY ARE ATTEMPTING TO "THWART" AN ALLEGED COUP BY THE COMMUNIST PARTY.

OCT. 2 (IPS)--THE CIA-LED ITALIAN COMMUNIST PARTY (PCI)--IN MOVES TO SABOTAGE AN UPCOMING MEETING OF THE EDITORIAL COMMISSION WHICH IS PREPARING FOR A EUROPE-WIDE CONFERENCE OF COMMUNIST PARTIES

(MORE)

IN BERLIN--HAS HELD A SERIES OF MEETINGS WITH OTHER CIA-INFLUENCED COMMUNIST PARTIES IN AN ATTEMPT TO LINE UP OPPOSITION TO SOVIET AND EAST GERMAN PROPOSALS TO FREE WESTERN EUROPEAN AND OTHER ADVANCED SECTOR ECONOMIES FROM THE BANKRUPT U.S. DOLLAR.

IN A JOINT DECLARATION ISSUED BY THE PCI AND THE COMMUNIST PARTY OF JAPAN (JCP), ACCORDING TO YESTERDAY'S UNITA, NEWSPAPER OF THE PCI, BOTH PARTIES PLEDGED TO "ESTABLISH A RELATIONSHIP OF CO-EXISTENCE WITH THE USA THAT GUARANTEES ANY COUNTRY THE POSSIBILITY OF CHOOSING IN FULL FREEDOM AND AUTONOMY ITS OWN FORM OF SOCIAL AND POLITICAL ORGANIZATION." THE DECLARATION ALSO OPPOSES ANY ATTEMPT TO UNITE THE WORLD COMMUNIST MOVEMENT BEHIND A COMMON STRATEGIC AND TACTICAL ORIENTATION, STATING THAT "THE PRESENT INTERNATIONAL SITUATION AND THAT OF THE INTERNATIONAL WORKERS AND COMMUNIST MOVEMENTS REQUIRE THAT THE PRINCIPLE OF AUTONOMY AND EQUALITY OF EVERY PARTY BE COHERENTLY AFFIRMED."

AT THE SAME TIME, A JOINT DECLARATION ISSUED BY THE PCI AND THE CIA-LED COMMUNIST PARTY OF SPAIN (PCE) PROPOSES TO SUBSTITUTE FOR THE STRUGGLE AGAINST THE WORLDWIDE DEPRESSION, THE STRUGGLE FOR LIBERALIZATION OF FASCIST SPAIN. THE DECLARATION CITES "IN PARTICULAR" THE OPPOSITION TO SPAIN'S FRANCO GOVERNMENT VOICED BY WESTERN EUROPE'S SOCIAL DEMOCRACIES AND THE U.S.-ORIENTED EUROPEAN COMMON MARKET AS EXEMPLARY OF THE STRUGGLE REQUIRED.

PCF DECLARES COMMITMENT  
FOR CONVENING OF WEST BERLIN CP CONFERENCE

OCT. 2 (IPS)--THE POLITBURO OF THE FRENCH COMMUNIST PARTY (PCF) YESTERDAY ISSUED A THREE-PART DECLARATION IN WHICH THEY FULLY ENDORSED THE RAPID CONVENING OF THE WEST BERLIN CONFERENCE OF EUROPEAN CP'S. THE STATEMENT REPORTED THAT A DELEGATION APPOINTED BY THE POLITBURO WOULD ATTEND PREPARATORY MEETINGS IN WEST BERLIN OCT. 8- "TO CONTINUE TO BRING THE CONSTRUCTIVE CONTRIBUTION OF THE PCF TO THE ELABORATION OF A DRAFT COMMON DECLARATION, IN THE SPIRIT DEFINED BY THE APRIL 1975 SESSION OF THE CENTRAL COMMITTEE," REPORTS YESTERDAY'S L'HUMANITE.

THAT THE APRIL 1975 CENTRAL COMMITTEE SESSION EXPRESSLY ATTACKED THE POLICIES OF THE ITALIAN COMMUNIST PARTY, WHICH HAS OPPOSED THE CONFERENCE ON THE GROUNDS THAT IT WILL VIOLATE THE SO-CALLED DOCTRINE OF "POLYCENTRISM"--THE PURPORTED RIGHT OF ANY NATIONAL COMMUNIST PARTY TO SELECT ITS OWN "AUTONOMOUS" POLITICAL AND ECONOMIC POLICIES WITHOUT REGARD FOR THE INTERNATIONAL TASKS FACING THE WORLD COMMUNIST MOVEMENT.

STOP "POOR-MOUTHING" THE "BOSS" ROCKY WARNS;  
DEMANDS RESIGNATION OF ADMINISTRATION CRITICS  
OF ENERGY BOONDOGGLE

OCT. 2 (IPS)--VICE PRESIDENT ROCKEFELLER WARNED ADMINISTRATION CRITICS OF HIS PROPOSED \$100 BILLION ENERGY BOONDOGGLE--THE ENERGY INDEPENDENCE AUTHORITY (EIA)--TO EITHER "RESIGN OR SUPPORT IT." IN AN INTERVIEW WITH THE CHRISTIAN SCIENCE MONITOR REPORTED IN TODAY'S NEW YORK POST, ROCKY SAID THAT THE WAY TO

(MORE)

HAVE A "STRONG, HARD-HITTING ADMINISTRATION" IS NOT TO "POOR-MOUTH WHAT YOUR BOSS HAS DECIDED."

"NOW I HAPPEN TO BE OF THE SCHOOL," ROCKEFELLER, WHO HAS ARM-TWISTED PRESIDENT FORD TO SUPPORT EIA DESPITE THE OBJECTIONS OF FORD'S SENIOR ECONOMICS ADVISORS, SAID, "THAT WHEN THE PRESIDENT MAKES A DECISION, YOU EITHER SUPPORT IT, OR IF YOU DON'T AGREE WITH IT AND FEEL STRONGLY, YOU RESIGN."

MEANWHILE, SYNDICATED COLUMNISTS EVANS AND NOVAK, ALSO WRITING IN TODAY'S POST, LABEL EIA A "FAR-FLUNG SCHEME DEVELOPED BY THE ROCKEFELLER "BRAIN TRUST," AND CHARGED THAT THE BOONDOGGLE USES THE SAME TYPE OF "OFF-BUDGET" SPENDING WHICH BANKRUPTED NEW YORK CITY. CITING THE UNPRECEDENTED NUMBER OF "BIG GUNS" WHO HAVE DENOUNCED THE SCHEME, EVANS AND NOVAK POINT OUT ITS POTENTIAL USE AS A "SHARP WEAPON" FOR REPUBLICAN CONSERVATIVES WHO WANT TO OUST ROCKEFELLER FROM THE PRESIDENTIAL TICKET NEXT YEAR.

#### TIMES CHARGES STATE DEPARTMENT ALTERED TEXTS OF SINAI ACCORDS

OCT. 2 (IPS)—THE NEW YORK TIMES REPORTER LESLIE GELB CHARGED TODAY THAT THE FORD ADMINISTRATION HAD DELIBERATELY ALTERED TEXTS OF "SECRET" PROTOCOLS OF THE RECENTLY NEGOTIATED SINAI ACCORDS WHICH WERE LEAKED TO THE TIMES AND OTHER NEWSPAPERS, IN ORDER TO TRACE THE LEAKS. ADMINISTRATION OFFICIALS SAY THAT, BASED ON THE ALTERATIONS, THE TEXTS PUBLISHED IN THE TIMES WERE LEAKED THROUGH CONGRESS, AND NOT FROM STATE DEPARTMENT SOURCES, THE TIMES FURTHER ALLEGED.

BUT COLUMNIST JACK ANDERSON, WHO FIRST LEAKED THE TEXTS, TOLD GELB THAT THEY CAME FROM THE STATE DEPARTMENT, NOT CONGRESS. AND SENATOR DICK CLARK (D-IOWA) COMMENTED, "IF IT IS TRUE THAT THE DOCUMENTS WERE INTENTIONALLY ALTERED, I CAN'T IMAGINE THAT IT WILL DO MUCH TO RESTORE A COOPERATIVE SPIRIT BETWEEN THE TWO BRANCHES."

THE APPARENTLY INTENDED EFFECT OF THE CONTROVERSY IS TO IMPEACH CONGRESS' TRUSTWORTHINESS TO RECEIVE CLASSIFIED DOCUMENTS. SECRETARY OF STATE HENRY KISSINGER HAS, ON THESE GROUNDS, RESISTED CONGRESS' REQUEST TO SEE THE PROVISIONS OF THE SINAI ACCORDS BEFORE IT APPROVES THEM.

#### ILLINOIS GOVERNOR DECLARES WAR ON CHICAGO MAYOR

OCT. 2 (IPS)—ILLINOIS GOVERNOR DANIEL WALKER PLEDGED OPEN-WAR-FARE AGAINST CHICAGO MAYOR RICHARD DALEY'S PRO-WEAT/WEST TRADE DEMOCRATIC ORGANIZATION, AT A PRESS CONFERENCE YESTERDAY HELD TO ANNOUNCE HIS CANDIDACY FOR REELECTION, TODAY'S CHICAGO TRIBUNE REPORTS. SCHMIDT REJECTS NATO BARRIERS TO EAST/WEST TRADE;  
SHUNS COMMENT ON PORTUGAL

NEW YORK, OCT. 2 (IPS)--WEST GERMAN CHANCELLOR HELMUT SCHMIDT TODAY REJECTED "OUT OF HAND" ANY SUPPORT BY HIS GOVERNMENT FOR ROCKEFELLER'S NATO POLICY OF STOPPING EAST/WEST TRADE BECAUSE IT WILL ALLEGEDLY RESULT IN SOVIET SUBVERSION OF NATO. THAT POLICY--MAKING THE QUESTION OF EAST/WEST TRADE A MILITARY QUESTION--WAS OUTLINED BY U.S. SECRETARY OF DEFENSE JAMES SCHLESINGER, NATO COMMANDER ALEXANDER HAIG AND BRITISH THINK-TANKER JOHN ERICKSON AT THE RECENTLY CONCLUDED NATO PARLIAMENTARIAN'S CONFERENCE IN COPENHAGEN.

SPEAKING AT A PRESS CONFERENCE FOLLOWING HIS ARRIVAL IN THE UNITED STATES YESTERDAY, SCHMIDT SAID, "I THINK THE INCLINE OF EAST/WEST TRADE IS ADVANTAGEOUS FROM TWO POINTS OF VIEW. FIRST, STRATEGICALLY, COOPERATION BETWEEN THE TWO SECTORS GREATLY ENHANCES THE PROSPECTS OF PEACE AND SECONDLY, FROM THE ECONOMIC POINT OF VIEW, EAST/WEST TRADE IS ADVANTAGEOUS TO OUR COUNTRY." HOWEVER, SCHMIDT REFUSED TO ADDRESS THE QUESTION OF HIS COUNTRY BREAKING FROM THE DOLLAR, AND, IN RESPONSE TO THE QUESTION OF USING THE TRANSFERABLE RUBLE AS A BASIS FOR EXPANDING TRADE, SCHMIDT REPLIED THAT HE HAS ALWAYS ENCOURAGED THE SOVIETS TO MAKE THEIR RUBLE CONVERTABLE, "BUT THAT IS THEIR BUSINESS."

SCHMIDT BECAME FLUSTERED AT ONE POINT DURING THE PRESS CONFERENCE WHEN SEVERAL REPORTERS ASKED HIM ABOUT REVELATIONS IN THE NEW YORK TIMES THAT HIS WEST GERMAN SOCIAL DEMOCRATIC PARTY (SPD) HAD CONDUITED CIA MONEY TO THE PORTUGUESE SOCIALIST PARTY. DECLINING TO REITERATE DENIALS OF THE CHARGES BY OTHER SPD SPOKESMEN, SCHMIDT SAID TERSELY: "I CANNOT COMMENT ABOUT THAT AT THIS TIME," AND "THESE REVELATIONS ALWAYS AROUSE A LOT OF PUBLICITY."

SCHMIDT ALSO EXPRESSED "CAUTIOUS OPTIMISM" ABOUT THE PROSPECTS FOR ECONOMIC RECOVERY IN THE BRD AND THE UNITED STATES, AND INSISTED THAT HE HAD NO PRESSING BUSINESS WITH PRESIDENT FORD TO DISCUSS AT THEIR MEETING TOMORROW.

SCHMIDT IS IN THE UNITED STATES TO ADDRESS THE ANNUAL MEETING OF THE INTERNATIONAL CHAMBER OF COMMERCE AND TO SPEAK WITH NUMEROUS AMERICANS "WHOSE VIEWS I RESPECT."

KISSINGER SABOTAGES  
SENATE FOREIGN RELATIONS COMMITTEE HEARINGS ON SINAI PACT

OCT. 2 (IPS)--SECRETARY OF STATE HENRY KISSINGER FORCED THE CANCELLATION OF SENATE FOREIGN RELATIONS COMMITTEE HEARINGS TODAY WHICH WOULD HAVE PROVIDED A FORUM FOR A BROAD SPECTRUM OF HIS POLITICAL OPPOSITION TO VOICE THEIR OBJECTIONS TO THE RECENTLY NEGOTIATED SINAI PACT. SCHEDULED WITNESSES INCLUDED: MR. ROBERT DREYFUSS OF THE U.S. LABOR PARTY, WHO WOULD HAVE TESTIFIED THAT HENRY KISSINGER AND THE NATIONAL SECURITY COUNCIL, IN COL-

(MORE)

LABORATION WITH SYRIA AND POSSIBLY EGYPT AND ISRAEL, ARE CO-ORDINATING--AS PART OF THE SINAI PACT--THE CURRENT CIVIL WAR IN LEBANON WHICH COULD EASILY LEAD TO A THERMONUCLEAR CONFRONTATION BETWEEN THE U.S. AND THE USSR. MR. CHARLES YOST, WHO HAS PUBLICLY CRITICIZED THE ACCORD FOR ITS PROVISION TO GRANT PERSHING MISSILES TO ISRAEL ON THE BASIS THAT IT INCREASED THE NUCLEAR POTENTIAL; GEORGE BALL, FORMER U.S. UNDERSECRETARY OF STATE, WHO HAS SAID THAT THE PACT COULD NOT LEAD TO PEACE IN THE LONG TERM, AND HAS CALLED FOR A RECONVENING OF THE GENEVA TALKS, WITH SOVIET PARTICIPATION, AS THE ONLY MEANS OF ACHIEVING LASTING PEACE IN THE MIDEAST; SEN. ABOUREZK (D-IND) AND PAUL WARNKE, FORMER UNDERSECRETARY OF DEFENSE WERE ALSO INCLUDED.

A SPOKESMAN FOR THE SENATE FOREIGN RELATIONS COMMITTEE SAID LATE THIS AFTERNOON THAT THE HEARINGS HAD BEEN CANCELLED BECAUSE THE COMMITTEE HAD FAILED THUS FAR TO REACH AN AGREEMENT WITH HENRY KISSINGER OVER MAKING THE SECRET SECTIONS OF THE PACT PUBLIC, AND THEREFORE THERE WAS "NO SENSE" IN HOLDING THE HEARINGS SINCE TESTIMONY AND QUESTIONS WOULD HAVE TO BE RESTRICTED TO THE OFFICIALLY RELEASED ASPECTS OF THE PACT. THE COMMITTEE IS SEEKING FULL PUBLIC DISCLOSURE. KISSINGER MET WITH THE COMMITTEE MEMBERS IN EXECUTIVE SESSION YESTERDAY, AGAIN AT 8:00 THIS MORNING, AND LATE THIS AFTERNOON IN EFFORTS TO REACH AN AGREEMENT. THE COMMITTEE SPOKESMAN SAID THAT THE HEARINGS WOULD NOT BE HELD UNTIL AN AGREEMENT IS WORKED OUT.

IN A RELATED DEVELOPMENT, NEW YORK TIMES COLUMNIST LESLIE GELB REPORTS TODAY THAT THE STATE DEPARTMENT MADE STYLISTIC CHANGES IN THE DOCUMENTS ON THE PACT WHICH IT GAVE TO CONGRESS PURPORTEDLY TO BE ABLE TO TRACE WHETHER FUTURE LEAKS CAME FROM STATE OR CONGRESS. REACHED FOR COMMENT BY GELB, SYNDICATED COLUMNIST JACK ANDERSON, WHO HAD PUBLISHED THE FIRST LEAKED COMMENTS, SAID TODAY "THE DOCUMENTS DID NOT COME FROM CAPITOL HILL. THEY CAME FROM THE STATE DEPARTMENT." SUPPORTING ANDERSON'S CONTNETION, A SENATE AIDE SAID, ACCORDING TO GELB, THE STATE DEPARTMENT "COULD HAVE LEAKED THEIR OWN DOCTORED VERSISON." AND SEN. DICK CLARK (D-IOWA) COMMENTED, "IF IT IS TRUE THAT THE DOCUMENTS WERE INTENTIONALLY ALTERED, I CAN'T IMAGINE THAT IT WILL DO TOO MUCH TO RESTORE A COOPERATIVE SPIRIT BETWEEN THE TWO BRANCHES."

#### ROCKEFELLER PUSHES FOR HIS ENERGY SCHEME WITH NEW PRICE TAG

WASHINGTON, D.C., OCT. 2 (IPS)--VICE-PRESIDENT NELSON ROCKEFELLER TOLD DELEGATES AT THE AMERICAN ENTERPRISE INSTITUTE CONFERENCE ON ENERGY POLICY HERE TODAY THAT HIS PROPOSAL FOR A PUBLIC CORPORATION FOR ENERGY DEVELOPMENT WOULD REQUIRE AT LEAST \$600 TO \$800 BILLION IN CAPITAL INVESTMENT TO MAKE AMERICAN ENERGY INDEPENDENT. THE PLAN WHICH WOULD CREATE AN ENERGY INDEPENDENCE AUTHORITY AND LAST WEEK RECEIVED THE ENDORSEMENT OF PRESIDENT FORD, PREVIOUSLY HAD A \$100 BILLION PRICE TAG.

ROCKEFELLER INDICATED THAT THERE WOULD BE NUMEROUS CHANGES IN LAWS ALONG THE WAY TO IMPLEMENTING HIS SCHEME. FOR EXAMPLE, THE

VICE-PRESIDENT STATED, EIA'S DECISIONS AND AGREEMENTS MUST NOT BE MADE SUBJECT TO ANY STATE OR LOCAL AGENCIES OR AUTHORITIES REQUIREMENTS.

THE LABOR MOVEMENT WAS ALREADY BEHIND EIA, THE VICE-PRESIDENT ASSERTED. HE DID NOT ELABORATE ON WHO SPECIFICALLY ITS SUPPORTERS WERE. INDUSTRY WAS A BIT MORE DIFFICULT, ROCKEFELLER SAID, BUT THEY COULD BE MADE TO LISTEN TO REASON. HE SAID THAT HE WAS SURE THAT THEY WOULD "COME AROUND WHEN THEY STARTED GETTING MORE DESPERATE FOR ENERGY."

AFTER 10 YEARS OF DOLING OUT ITS BILLIONS, ROCKEFELLER TOLD THE DELEGATES, THE EIA COULD BE AUCTIONED OFF TO THE HIGHEST BIDDER. HE DID NOT SAY WHO WOULD BUY IT.

#### FLOAT NEW PLAN TO LOOT \$4 BILLION FROM NYC WORKERS

NEW YORK, OCT. 2 (IPS)--UNIDENTIFIED "TOP FINANCIAL" ADVISORS TO NEW YORK GOVERNOR HUGH CAREY HAVE FLOATED A PROPOSAL TO ROB AN ADDITIONAL \$4 BILLION FROM NEW YORK CITY'S PUBLIC EMPLOYEES' PENSION FUNDS THROUGH THE PURCHASE OF CITY SECURITIES AND USE THE MONEY TO GUARANTEE THE CITY'S OBLIGATIONS TO ITS BONDHOLDERS. ACCORDING TO TODAY'S NEW YORK TIMES, THE PROPOSAL WOULD GO INTO EFFECT WHEN THE SO-CALLED BIG MAC II \$2.3 BILLION "RESCUE PLAN" EXPIRES THIS DECEMBER.

THE CITY PENSION SYSTEMS HAVE ALREADY INVESTED MORE THAN \$1 BILLION IN MAC AND CITY SECURITIES. IF THE PLAN IS SUCCESSFUL, THE ADDITIONAL \$4 BILLION LOOTED FROM CITY PENSION FUNDS, WOULD EXCEED THE TOTAL LOOTED BY THE NAZIS AND FINANCE MINISTER HJALMAR SCHACHT FROM PENSION FUNDS OF THE ENTIRE GERMAN WORKING CLASS DURING THE 1930'S.

OVER THE LAST WEEK HOWEVER, THE PIECES OF THE MAC RESCUE PACKAGE HAVE BEGUN TO FALL APART, PUTTING THE CITY ONCE AGAIN ON THE BRINK OF DEFAULT. THE DECEMBER TIMETABLE FOR THE PENSION FUND LOOTING WILL THEREFORE LIKELY BE MOVED UP. DAVID ROCKEFELLER, CHAIRMAN OF THE BOARD OF CHASE MANHATTAN BANK AND A MAN WHO ALWAYS SEEMS TO HAVE THE GOVERNOR'S EAR ON FINANCIAL MATTERS, IS KNOWN TO LOOK FAVORABLY ON SUCH UNION "DONATIONS."

VICTOR GOTBAUM, HEAD OF AFSCME DISTRICT COUNCIL 37 AND ONE OF THE THREE TRUSTEES FOR THE LARGEST PENSION FUND, THE CITY EMPLOYEES RETIREMENT SYSTEM, SAID THAT HIS UNION IS STUDYING THE PLAN. GOTBAUM HAS BEEN TERMED AS MOST RESPONSIBLE FOR ENGINEERING THE UNIONS' PREVIOUS DONATIONS.

SANITATION UNION HEAD AND PENSION TRUSTEE JOHN DELURY EXPRESSED THE FEELING OF CITY WORKERS WHEN HE EXPRESSED HIS OPPOSITION TO THE RIDICULOUS NEW PROPOSAL: "ALL I CAN SAY IS THEY WILL GET IT OVER MY DEAD BODY."

#### KISSINGER BUGS ENDERS?

WASHINGTON, D.C., OCT. 2 (IPS)--SECRETARY OF STATE HENRY KISSINGER IS TAPPING THE TELEPHONE LINES OF KEY STATE DEPARTMENT AIDES, ACCORDING TO AN UNIMPEACHABLE SOURCE HERE.

CHICAGO, OCT. 3 (IPS)—SPEAKING BEFORE THE UNITED NATIONS ASSOCIATION OF CHICAGO, ADAM MALIK, THE FOREIGN MINISTER OF INDONESIA, DECLARED IT TO BE THE "LONG-TERM INTEREST OF ALL GREAT POWERS TO ASSIST US IN ECONOMIC DEVELOPMENT, EVEN IF IT APPEARS TO BE A TEMPORARY DISADVANTAGE." AFTER HIS SPEECH, MALIK REPLIED TO AN IPS QUESTION REGARDING HIS POSITION ON DEBT MORATORIUM BY SAYING THAT HE "SUPPORTS DEBT MORATORIUM BUT SO DOES THE WORLD BANK." WHEN IPS POINTED OUT THAT WORLD BANK SUPPORT FOR DEBT MORATORIUM WAS ONLY SELECTIVE AND THAT THE U.S. IS OPPOSED TO IT, HE QUICKLY AGREED. MALIK ALSO SAID HE HAD DISCUSSED THE QUESTION OF THE TRANSFERABLE RUBLE WITH THE SOVIETS AND THAT THE SOVIETS HAD IN FACT GRANTED INDONESIA A 30-YEAR EXTENSION ON A \$1 BILLION DEBT.

MAOISM, ITALIAN-STYLE

AVANTI COMMENTS THAT CHINA IS SEEKING TO OPEN ITS DOORS TO THE WEST BECAUSE "ESPECIALLY SINCE THE BREAK WITH THE SOVIET UNION, CHINA'S GROWTH HAS BEEN VERY SLOW AND ENTIRELY BASED ON THE SACRIFICES OF ITS PEOPLE."

PORTUGUESE SOCIALISTS BEHIND NEW INSURRECTIONIST ACTIVITIES

OCT. 3 (IPS)—SIMULTANEOUSLY WITH THE PORTUGUESE SOCIALIST PARTY'S (PSP) "COUP WARNINGS" IN LISBON OCT. 1, COMMUNIQUES WERE RELEASED IN INTERIOR CITIES OF THE COUNTRY WARNING OF A COUP ATTEMPT BY "ULTRAMINORITY PROVOCATEUR GROUPS OF THE PSEUDOLEFT AT THE SERVICE OF THE CIA AND THE REACTION." IN THOSE CITIES "A CALL TO ARMS WAS SOUNDED WITH THE RINGING OF CHURCH BELLS AND A MARCH ON LISBON WAS CALLED FOR," YESTERDAY'S LISBON PRESS REPORTS. A SIMILAR "MARCH ON LISBON" BROUGHT THE DEPOSED FASCIST DICTATORSHIP OF ANTONIO SALAZAR TO POWER IN 1928.

PSP LEADERS ALSO ASKED PRIME MINISTER AZEVEDO TO DECLARE A STATE OF EMERGENCY, WHICH WAS REJECTED BY THE CHIEF OF STATE, WHO SAID THAT HE SAW NO MOTIVE FOR SUCH EXTREME MEASURES. THIS INFORMATION WAS PUBLISHED IN A PRENSA LATINA DISPATCH YESTERDAY.

NEW BRD MEDIA FORCES JOIN EFFORT TO MOP UP CIA AGENT WILLY BRANDT

OCT. 3 (IPS)—GERHARD LOEWENTHAL, A POPULAR RADIO BROADCASTER FOR THE CHANNEL 2 WEST GERMAN RADIO STATION, TODAY ACCUSED WEST GERMAN SOCIAL DEMOCRATIC AGENT WILLY BRANDT OF HAVING PERJURED HIMSELF DURING A COURT INVESTIGATION INTO THE GUENTHER GUILLAUME SPY AFFAIR, WHICH PROMPTED BRANDT'S RESIGNATION FROM THE FEDERAL CHANCELLORSHIP IN APRIL 1974. LOEWENTHAL CHARGED THAT BRANDT'S PLEADING THAT HE WAS IGNORANT OF "INTELLIGENCE MATTERS" AND THEREFORE DID NOT KNOW THAT WEST GERMAN INTELLIGENCE OFFICIALS SUSPECTED GUILLAUME—A TOP AID TO BRANDT—OF BEING AN EAST GERMAN SPY WAS LUDICROUS. LOEWENTHAL NOTED THAT BRANDT HAD WORKED WITH THE U.S. OFFICE OF STRATEGIC SERVICES (OSS) DURING WORLD WAR II.

LOEWENTHAL'S CHARGE OF PERJURY AGAINST BRANDT IS PART OF THE BROAD, INTERNATIONAL EXPOSURE OF BRANDT'S AGENT ACTIVITIES FOR THE CIA.

A PRESS CONFERENCE HELD YESTERDAY IN BONN, WEST GERMANY, BY THE EUROPEAN LABOR COMMITTEES, DOCUMENTING ELC CHARGES THAT BRANDT

(MORE)

IS A CIA AGENT AND A FASCIST, WAS WELL ATTENDED BY EAST BLOC PRESS REPRESENTATIVES AND THE WEST GERMAN AND SCANDINAVIAN SOCIAL DEMOCRACIES. A LAWSUIT BY BRANDT AGAINST LEADING MEMBERS OF THE ELC FOR HAVING MADE THE CITED CHARGES WILL GO TO COURT AT THE END OF OCTOBER.

FRENCH STEEL BOSS CALLS FOR  
IMPORT RESTRICTIONS TO "SOLVE" STEEL COLLAPSE

OCT. 3 (IPS)—FRENCH STEEL INDUSTRIES HEAD JACQUES FERRY APPARENTLY LOST CONTROL OF HIMSELF AT A RECENT MEETING OF THE EUROPEAN COAL AND STEEL COMMUNITY (ECSC) CONSULTATIVE COMMITTEE MEETING AND OPENLY CALLED FOR PROTECTIONIST IMPORT RESTRICTIONS ON COAL AND STEEL, ACCORDING TO THE OCT. 1 LE MONDE. FERRY, A MEMBER OF THE COMMITTEE, WARNED THE GROUP THAT UNLESS THEY DECLARE THE EUROPEAN STEEL SECTOR TO BE A "MANIFEST DISASTER," "THE COMMON MARKET WOULD BE THREATENED WITH DISINTEGRATION."

FERRY'S REACTION WAS IN RESPONSE TO THE MORE THAN 25 PER CENT DROP IN EUROPEAN STEEL PRODUCTION IN THE PAST YEAR. IN SOME CASES, EUROPEAN STEEL SALES HAVE DROPPED BY AS MUCH AS 40 PER CENT ON WORLD MARKETS.

WEST GERMAN PRESS SCANDAL BLACKS OUT  
SCHLESINGER'S EUROPEAN TRIP

OCT. 3 (IPS)—A SCANDAL MANUFACTURED IN THE WEST GERMAN PRESS ABOUT A TRIP MADE TO SOUTH AFRICA LAST OCTOBER BY A WEST GERMAN AIR FORCE LT. GENERAL, GUENTHER RALL, IS BEING USED TO COVER A WEST GERMAN PRESS BLACK-OUT AROUND U.S. DEFENSE SECRETARY JAMES SCHLESINGER'S CURRENT TRIP TO EUROPE. ALTHOUGH RALL'S VISIT TO A SOUTH AFRICAN NUCLEAR INSTALLATION IS GIVEN BANNER HEADLINES, WEST GERMAN PAPERS HAVE UTTERLY BLACKED OUT SCHLESINGER'S VISIT TO FRENCH NUCLEAR INSTALLATIONS.

RALL, WHO IS THE WEST GERMAN MEMBER OF THE IMPORTANT NATO MILITARY COMMITTEE, HAS NOT COMMENTED AT ALL ON HIS SOUTH AFRICAN TRIP, WHICH HE UNDERTOOK UNDER AN ASSUMED NAME. THE LEAD EDITORIAL IN YESTERDAY'S FRANKFURTER RUNDSCHAU COMMENTS THAT "IT IS NOW BECOMING EVIDENT THAT THERE ARE PEOPLE IN THE MILITARY LEADERSHIP WHO DO NOT NOW SEEM TO BE LIMITING THEMSELVES JUST TO HAVING OTHER OPINIONS, BUT ARE OBVIOUSLY SEEKING CONTACTS AND DUTIES WHICH ARE DIAMETRICALLY OPPOSED TO BONN'S." ANALYSTS SUGGEST THAT SUCH NONSENSE MAY BE PREPARATORY TO A PURGE OF MILITARY LEADERS IN WEST GERMANY OPPOSED TO SCHLESINGER'S "LIMITED NUCLEAR WAR" STRATEGY.

NOT MAKE PUBLIC SECRET MATERIALS OR TESTIMONY GIVEN TO IT BY THE EXECUTIVE BRANCH, ACCORDING TO TODAY'S NEW YORK TIMES. WHILE THE COMMITTEE, HEADED BY REP. OTIS PIKE, HAS BACKED DOWN ON THIS ISSUE, THEY STILL HAVE A NUMBER OF OPTIONS, INCLUDING SEEKING A FULL HOUSE VOTE ON A RESOLUION, NOW PENDING IN THE RULES COMMITTEE, WHICH WOULD DECLARE ADMINISTRATION OFFICIALS IN CONTEMPT OF CONGRESS.

#### DRUG USE SOARS BUT ADDICTION DOWN, CIA STUDY SAYS

OCT. 3 (IPS)—THE NATIONAL INSTITUTE ON DRUG ABUSE HAS "DETERMINED THAT HEROIN ADDICTION IS 90 PER CENT LESS THAN PREVIOUSLY BELIEVED," WHILE ADMITTING THAT DRUG USE AMONG AMERICAN TEENAGERS IS SOARING AND IS BEGINNING AT AN EARLIER AGE THAN EVER BEFORE, ACCORDING TO A STUDY RELEASED WEDNESDAY.

BUT NIDA, A SISTER INSTITUTE OF THE CIA-CONTROLLED NATIONAL INSTITUTE OF MENTAL HEALTH, RATIONALIZES ITS CONTRADICTORY CONCLUSION BY CLAIMING THAT LONG-TERM "EXPERIMENTATION" WITH HEROIN DIFFERS FROM "ADDICTION," ACCORDING TO TODAY'S NEW YORK TIMES. NIDA CONCEDES, FOR EXAMPLE, THAT 80 PER CENT OF U.S. ARMED FORCES VIETNAM VETERANS "STILL USE HEROIN" BUT 70 PER CENT OF THESE WERE "NO LONGER ADDICTED."

#### STATE CONTROLLER LEVITT UNDER "SEVERE PRESSURE" TO RELEASE PENSION FUNDS TO ROCKEFELLER

REPORTEDLY, AIDES TO GOV. CAREY ARE CONSIDERING LEGISLATION WHICH WOULD ADD TWO OTHER TRUSTEES TO THE PENSION SYSTEM WHO COULD OVERRULE LEVITT ON THIS ISSUE.

THE STATE TEACHERS' RETIREMENT SYSTEM, ANOTHER PENSION SYSTEM, IS ALSO REPORTEDLY PLANNING TO CHALLENGE STATE LEGISLATION ORDERING IT TO INVEST THE PENSION FUNDS IN MAC BONDS. THE NEW YORK STATE COURT OF APPEALS, THE STATE'S HIGHEST COURT, IN A RULING ISSUED SEPT. 29, RULED THAT A LAW ORDERING LEVITT TO INVEST PENSION FUNDS IN MAC WAS INVALID.

SECRET SERVICEMEN WERE NOT INVOLVED IN THE APPREHENSION, DESPITE THEIR EXTRAORDINARY DEPLOYMENT TO CHICAGO FOR THE PRESIDENTIAL VISIT.

(MORE)

PRESIDENTIAL PRESS SECRETARY RON NESEN DENIED THAT THE WOMAN HAD BEEN A THREAT TO FORD, WHO IS UNDER HEAVY CRITICISM FOR UNNECESSARILY EXPOSING HIMSELF TO ASSASSINATION ATTEMPTS. THE LABOR PARTY STATED THAT IT WILL ASK THE CALIFORNIA ATTORNEY GENERAL TO INVESTIGATE THE CASE AND WILL UNDERTAKE ITS OWN INVESTIGATION TO DETERMINE WHETHER SIMILAR FRAUDS ARE NOT BEING UNDERTAKEN ELSEWHERE BY POLICE AGENTS ANXIOUS TO DISCREDIT THE USLP.

THE NATIONAL SECURITY COUNCIL HAS TAKEN SUCH FRAUD TO AN EXTREME IN CHARLOTTE, NORTH CAROLINA, WHERE POLICE AGENTS ARE NOW RUNNING FOR MAYOR ON THE USLP TICKET.

THE ORGANIZER HAD MENTIONED THAT HIS POLITICS WERE "SOCIALIST." HOWEVER, WHEN CALLED AGAIN AND INFORMED THAT THE USLP WOULD HAVE TO BE CONSIDERED COMMUNIST BECAUSE OF ITS OPPOSITION TO SUCH PROCIA SOCIAL DEMOCRATS AS WILLY BRANDT AND MARIO SOARES, THE EUROPEAN-AMERICAN SPOKESMAN QUICKLY RESUMED THE CONVERSATION, NOTING, "I SEE THE DIFFERENCE."

#### MAYOR, POLICE CHIEF SUED BY GREENSBORO, NORTH CAROLINA LABOR PARTY

GREENSBORO, N.C., OCT. 3 (IPS)—MARION PORTER, MICHAEL SMEDBURG AND AL FRIPP, LABOR PARTY CANDIDATES IN THE OCT. 7 GREENSBORO, N.C., PRIMARIES, FILED SUIT IN FEDERAL COURT OCT. 1 AGAINST GREENSBORO MAYOR JAMES MELVIN, THE CITY POLICE CHIEF AND THE CITY'S HEAD OF PUBLIC SAFETY FOR VIOLATIONS OF THE LABOR PARTY'S CIVIL RIGHTS. THE WAVE OF ARRESTS, WHICH HAVE BROUGHT MANY WORKERS WHO SAW THE ARRESTS AS "ATTACKS ON THE DEBT MORATORIUM" INTO ACTIVE LABOR PARTY CAMPAIGN WORK, BEGAN THREE WEEKS AGO AFTER MAYORAL CANDIDATE MARION PORTER BRIEFED THE CITY COUNCIL ON THE URGENCY OF A DEBT MORATORIUM AND IN PARTICULAR THE ALREADY DANGEROUS LEVEL OF HEALTH CRISIS IN THE CITY DUE TO DEBT-FORCED AUSTERITY. ### KOSYGIN HITS U.S. OIL-FOR-GRAIN "OFFER"

OCT. 3 (IPS) — SOVIET PREMIER ALEXEI KOSYGIN BLASTED HENRY KISSINGER'S LONG-TERM OIL-FOR-GRAIN BLACKMAIL PROPOSAL TO THE SOVIETS YESTERDAY, ACCORDING TO U.S. DEMOCRATIC PRESIDENTIAL HOPEFUL SARGENT SHRIVER, WHO MET WITH THE SOVIET LEADER FOR THREE HOURS YESTERDAY IN MOSCOW. ACCORDING TO SHRIVER, KOSYGIN SAID THAT THE OIL-FOR-GRAIN EXCHANGE WAS "CHARACTERISTIC OF THE PAST," MEANING, OBVIOUSLY, BARTER. HE SAID IT WAS OUT OF DATE AND UNNECESSARY. MODERN CREDIT AND BANKING ARRANGEMENTS MAKE POSSIBLE DEALING ON A COMPLETELY COMMERCIAL BASIS."

SHRIVER TOLD THE PRESS THAT "THE SOVIETS WANT TO PURCHASE GRAIN FOR CASH AND IF WE DON'T SELL IT, THEY WILL GET IT ELSEWHERE," ACCORDING TO TODAY'S JOURNAL OF COMMERCE. KOSYGIN ALSO PREDICTED THAT U.S.-USSR TRADE WOULD DOUBLE IN THE NEXT FIVE YEARS.

SCHMIDT CALLS FOR FIXED RATES TO FACILITATE LOOTING

OCT. 3 (IPS) — WEST GERMAN CHANCELLOR HELMUT SCHMIDT, TOGETHER WITH LUDWIG POULLAIN, CHAIRMAN OF THE WESTDEUTSCHE LANDES BANK GIROZENTRALE, CALLED YESTERDAY FOR FIXED EXCHANGE RATES BETWEEN THE DOLLAR AND EUROPEAN CURRENCIES, EXPLICITLY TO FACILITATE MASSIVE CAPITAL DRAINS FROM EUROPE TO THE U.S. THE INFUX OF CAPITAL TO THE U.S. IS TO BE BASED ON ROCKEFELLER'S CURRENT PUSH FOR FASCIST WAGE POLICY IN THE U.S. THEY SPOKE AT THE U.S. COUNCIL OF THE INTERNATIONAL CHAMBER OF COMMERCE IN NEW YORK.

FINANCIAL ANALYSTS AT MONEY MANAGER MAGAZINE FURTHER TERMED THEIR PROPOSAL A "COMPROMISE" WITH GAULLIST DEMANDS FOR A GOLD-BASED FIXED-RATES SYSTEM IN WHICH "THE U.S. AGREES TO FIXED RATES IN RETURN FOR THE DEMONETIZATION OF GOLD."

SCHMIDT ASKED "CLOSER COOPERATION AND A SKILFUL INTERVENTION POLICY" BY U.S. AND EUROPEAN CENTRAL BANKS FOR "ACTUAL EXCHANGE RATE STABILITY." POULLAIN POINTED OUT THAT PRESENT EXCHANGE RATES, WHICH HAVE ALREADY BEEN VIRTUALLY FIXED BY CENTRAL BANK COOPERATION, "WERE AN EXCELLENT BASIS FOR INVESTMENT IN THE U.S." WITH ITS "LOW LABOR COST." POULLAIN SAID HE WAS "ABSOLUTELY CONVINCED" THAT GERMAN INTEREST RATES WOULD SOON BE LOWERED FURTHER, ENCOURAGING MASSIVE FLOWS OF FUNDS INTO THE NEW YORK MARKETS.

BANGEMANN FAILS TO BREAK UP SPD-FDP COALITION  
—FORCED TO RESIGN

OCT. 3 (IPS) — MARTIN BANGEMANN, THE GENERAL SECRETARY OF THE WEST GERMAN FREE DEMOCRATIC PARTY (FDP), HAS BEEN FORCED TO RESIGN FROM HIS POSITION. THE FDP IS THE PARTNER OF THE SOCIAL DEMOCRATIC PARTY (SPD) IN WEST GERMANY'S COALITION GOVERNMENT. BANGEMANN'S RESIGNATION WAS FORCED BY PARTY COLLEAGUES WHO WERE HORRIFIED AT BANGEMANN'S PERSISTENT ATTEMPTS TO WRECK THE COALITION. SINCE HE BECAME GENERAL SECRETARY LAST YEAR, BANGEMANN'S CRUDE ATTEMPTS TO WRECK THE COALITION AND FORM A NEW GOVERNMENT WITH THE OPPOSITION CHRISTIAN DEMOCRATIC UNION PARTY, HAVE EXPOSED HIM AS A KEY ROCKEFELLER AGENT INSIDE THE RULING COALITION. HIS RESIGNATION WAS DEMANDED, ACCORDING TO TODAY'S SUEDDEUTSCHE ZEITUNG, BECAUSE "IN THE FDP, DEBATE ABOUT THE COALITION IS THOUGHT TO BE VERY DANGEROUS."

PCF DEFINES "PLURALISM"

LEROY ACCUSED THE "GAUCHISTE" AGENTS OF FURNISHING "THE OCCASION DREAMED OF BY (INTERIOR MINISTER) PONIATOWSKI TO THREATEN TO PROHIBIT DEMONSTRATIONS."

(MORE)

IPS LATE 10.03 PAGE 3

ACCORDING TO TODAY'S L'HUMANITE, NEWSPAPER OF THE PCF, LEROY ALSO COUNTERED ULTRALEFTIST CHARGES THAT THE PCF IS AGAINST PLURALISM BY REDEFINING THE TERM, PLURALISM: "THIS MEANS THAT THE GAUCHISTES HAVE THE RIGHT TO EXISTENCE AND EXPRESSION. BUT IT ALSO MEANS THE FREEDOM FOR US NOT TO CONSIDER THESE GAUCHISTE ORGANIZATIONS AS A COMPONENT OF THE WORKING CLASS MOVEMENT.... WE WILL CONTINUE TO USE THIS FREEDOM UNTIL THE DAY WHEN THE LAST YOUTH IS FREED FROM THEIR INFLUENCE."

#### SOVIET GENERAL WARNS AGAINST FRANCE REJOINING NATO

OCT. 3 (IPS) — FOLLOWING U.S. DEFENSE SECRETARY JAMES SCHLESINGER'S TOUR OF EUROPE, WHICH INCLUDED MEETINGS WITH FRENCH PRESIDENT Giscard AND OTHER FRENCH OFFICIALS WHO FAVOR CLOSER TIES WITH THE UNITED STATES, YESTERDAY'S FRENCH DAILY LE MONDE FEATURED A GUEST OPINION COLUMN BY SOVIET GENERAL SVIATOSLAV KOZLOV. KOZLOV WARNED AGAINST THE REINTEGRATION OF FRANCE INTO NATO, AND, CITING THE HISTORICAL PRECEDENT OF GEN. DE GAULLE'S DEFINITIVE BREAK WITH NATO IN 1966, POINTED OUT THAT THIS IMMEDIATELY OPENED VAST NEW HORIZONS FOR THE FRENCH THROUGH EXPANDED RELATIONS WITH THE SOCIALIST COUNTRIES. FRENCH ALLEGIANCE TO NATO, KOZLOV SAYS, WOULD THREATEN TO INVOLVE THE FRENCH "AGAINST THEIR WILL IN WARS NOT IN THEIR OWN INTERESTS."

THE INVITATIONS WERE ACCEPTED "WITH GRATITUDE," ACCORDING TO TASS, THE SOVIET NEWS AGENCY. DURING GOMES' VISIT, A SOVIET-PORTUGUESE DECLARATION WAS SIGNED ALONG WITH A COLLABORATION ACCORD IN THE FIELDS OF CULTURE AND SCIENCE, AND A LONG-TERM ECONOMIC, SCIENTIFIC AND TECHNICAL COOPERATION ACCORD.

GOMES' ARRIVAL IN MOSCOW WAS CARRIED LIVE ON SOVIET TELEVISION, AN HONOR WHICH IS USUALLY ONLY ACCORDED TO VISITING EAST Bloc OFFICIALS, ACCORDING TO YESTERDAY'S LONDON TIMES.

#### WILL FORD'S NEWARK VISIT GIVE ROCKEFELLER THE PRESIDENCY?

OCT. 3 (IPS) — TOMORROW PRESIDENT FORD WILL TRAVEL TO NEWARK, NEW JERSEY FOR A GOP FUND-RAISING DINNER. AT THE SAME TIME, NEWARK MAYOR KENNETH GIBSON HAS GRANTED PERMITS TO TWO GROUPINGS OF BRAINWASHED ZOMBIES—THE "REVOLUTIONARY UNION" AND THE FORCES OF BLACK ZOMBIE "IMAMU IMIRI BARAKA" TO DEMONSTRATE IN THE VICINITY OF FORD'S APPEARANCE. WHILE THE CITY RALLY PERMITS HAVE ALREADY BEEN GRANTED TO THE HIGHLY UNSTABLE AGENTS, LEAA POLICE DIRECTOR HUBERT WILLIAMS HAS NOT YET MADE "A FINAL DECISION ON WHERE THE DEMONSTRATORS WOULD BE ALLOWED TO GATHER." THE RU IS AN F.B.I. CREATION, EXPOSED BY IPS AS FORMING PART OF THE NATIONAL SECURITY COUNCIL'S DRUG, GUN, AND EXPLOSIVES-RUNNING OPERATION CENTERED IN READING, PENNSYLVANIA. "BARAKA" WAS EXPOSED IN 1973 AS A SYNTHETIC PRODUCT OF AN INTERNATIONALLY ACTIVE COUNTERIN SGENCY AND BRAINWASHING CENTER—LONDON'S TAVISTOCK CLINIC.

THE EAST ORANGE OFFICE OF THE NATIONAL CAUCUS OF LABOR COMMITTEES HAS TURNED OVER TO THE SECRET SERVICE WRITTEN INFORMATION WARNING THE IMMEDIATE POTENTIAL DANGER TO FORD BY THE PRESENCE IN THE AREA OF AIR FORCE INTELLIGENCE AGENT H. BRUCE FRANKLIN, A FORMER R.U. CENTRAL COMMITTEE MEMBER, WHO RECENTLY BEGAN TO TEACH AT THE NEWARK CAMPUS OF RUTGERS UNIVERSITY. FRANKLIN IS AN OUT-SPOKEN MAOIST AND HAS DEFENDED TERRORISM. THE DOCUMENTS ALSO WARNED OF THE R.U. AND THE BARAKA GANG, AND IMPLICATED VICE PRESIDENT ROCKEFELLER IN THE TERRORIST OPERATIONS WHICH SPANNED THE TWO ASSASSINATION ATTEMPTS ON FORD LAST MONTH.

#### KENNEDY ATTACKS LEAA

OCT. 3 (IPS) — SENATOR EDWARD KENNEDY (D.-MASS.) HAS BLASTED THE LAW ENFORCEMENT ASSISTANCE ADMINISTRATION FOR NOT COMBATING CRIME, ACCORDING TO YESTERDAY'S WASHINGTON STAR. SPEAKING AT A SENATE JUDICIARY COMMITTEE SUBCOMMITTEE REVIEWING THE LEAA, KENNEDY WARNED THAT THE LEAA WAS "NO LONGER A SACRED COW" WHICH COULD AUTOMATICALLY RECEIVE FUNDS, AND PROPOSED TO EXTEND THE LEAA'S FUNDING FOR ONLY TWO YEARS, INSTEAD OF THE FIVE-YEAR EXTENSION SOUGHT BY THE JUSTICE DEPARTMENT TO ENSURE THE LEAA'S LONG-RANGE PROJECTS.

SENATOR THOMAS EAGLETON (D.-MO.) TESTIFIED BEFORE THE COMMITTEE AND PROPOSED THAT THE LEAA BE RESTRICTED TO A FEW STATES OR COMMUNITIES WHERE "THE TOTALITY" OF ITS PROGRAMS COULD BE EVALUATED.

CHIHUAHUA WHO HAVE BEEN HIT HARD BY THE PROTECTIONIST CLOSING OF THE U.S. BORDER TO MEXICAN CATTLE EARLIER THIS YEAR, YESTERDAY'S MEXICAN PRESS REPORTED. THE MORATORIUM, ANNOUNCED IN A MEETING OCT. 1 BETWEEN ECHEVERRIA AND THE RANCHERS, WILL APPLY TO BOTH PUBLIC AND PRIVATE DEBT. IT WAS NOT STATED HOW LONG THE MORATORIUM WILL BE IN EFFECT.

#### DON'T TAKE KRESGE'S FOR GRANTED

OCT. 3 (IPS) — W.T. GRANT'S, THE THIRD LARGEST DISCOUNT CHAIN STORE IN THE UNITED STATES, FILED FOR BANKRUPTCY YESTERDAY IN THE LARGEST FINANCIAL COLLAPSE IN RETAIL HISTORY. THE BANKRUPTCY THREATENS MORE THAN ONE BILLION DOLLARS IN LOANS EXTENDED BY 30 BANKS AND RAISES THE POSSIBILITY OF ACTUAL BANK FAILURES. ACCORDING TO THE WALL STREET JOURNAL, "SUCH SMALLER BANK CREDITORS OF GRANT'S PARTICULARLY THOSE WORRIED ABOUT THEIR HOLDINGS OF NEW YORK CITY BONDS AND REAL ESTATE MIGHT HAVE THEIR OWN CREDIT IMPAIRED." WHILE MOST FINANCIAL ANALYSTS INTERVIEWED BY IPS REFUSED TO SPECULATE ABOUT THE POSSIBILITY OF A BANK RUN, THEY ALL AGREED THAT SUCH "LOAN LOSSES" WOULD IMPAIR THEIR ABILITY TO FINANCE THE MUCH-HERALDED ECONOMIC RECOVERY.

THE U.S. LABOR PARTY IS CONDUCTING A NATIONWIDE POLITICAL STRIKE AGAINST THE KRESGE-K-MART RETAIL CHAIN, ALSO REPUTED IN PRECARIOUS FINANCIAL CONDITION.

#### FEDERAL OFFICIALS MOOT SUPPORT OF NYC

NEW YORK, OCT. 3 (IPS) — NEW YORK STATE AND CITY BONDS CONTINUED TO RECEIVE NO BIDS FOR THE FOURTH STRAIGHT BUSINESS DAY, SETTING OFF WHOLESALE PANIC AMONG GOVERNMENT OFFICIALS AND BANKERS. IN WHAT IS BEING VIEWED AS A SUDDEN PANIC REVERSAL, FEDERAL RESERVE BOARD CHAIRMAN ARTHUR BURNS AND TREASURY SECRETARY SIMON HAVE NOW CONCEDED THAT THE NEW YORK CRISIS HAS REACHED SEVERE PROPORTIONS WHICH MIGHT REQUIRE FEDERAL INTERVENTION. MEANWHILE, THE HEAD OF ONE OF THE NATION'S LARGEST MUNICIPAL BROKERAGE FIRMS, WHO FOR MONTHS HAS WELCOMED A NEW YORK CITY DEFAULT, NOW ADMITS THAT SUCH A DEFAULT WILL PRODUCE "AN INTERNATIONAL DEPRESSION" AND SHOULD BE AVOIDED AT ALL COSTS BY FEDERAL RESERVE BANK BAIL-OUT OPERATIONS.

IN A RELATED DEVELOPMENT WEST GERMAN CHANCELLOR HELMUT SCHMIDT WAS QUOTED IN THE WASHINGTON POST ACCUSING PRESIDENT FORD OF PLAYING WITH FIRE BY NOT COMING TO THE AID OF THE CITY. FORD, HOWEVER, REITERATED HIS HERBERT HOOVER STRATEGY OF NON-INTERVENTION TODAY.

#### NEW YORK TIMES HITS S-1

OCT. 3 (IPS) — TODAY'S NEW YORK TIMES EDITORIAL TELLS CONGRESS THAT THE S-1 BILL—WHICH IT POINTS OUT WOULD MAKE NEWSMEN AS WELL AS THEIR SOURCES LIABLE TO SEVERE FINES AND UP TO SEVEN YEARS IN JAIL FOR "DISCLOSING SOMETHING VAGUELY CALLED 'NATIONAL DEFENSE INFORMATION'"—MUST BE EITHER "REVISED THOROUGHLY OR REJECTED OUTRIGHT BY THE SENATE."

OCT. 3 (IPS) -- BY A VOTE OF 9-2 YESTERDAY, THE HOUSE SELECT COMMITTEE ON INTELLIGENCE ACTIVITIES VOTED TO SUBPOENA SECRETARY OF STATE HENRY KISSINGER TO PRODUCE A SECRET MEMORANDUM ON THE 1974 CYPRUS CRISIS. THE MEMORANDUM WAS WRITTEN BY A FORMER STATE DEPARTMENT CYPRUS CHIEF, THOMAS BOYATT, WHO TOLD THE COMMITTEE THAT HE WAS PROHIBITED BY AN ORDER FROM KISSINGER FROM TESTIFYING ON HIS RECOMMENDATIONS DURING THE CYPRUS CRISIS.

ACCORDING TO TODAY'S BALTIMORE SUN, PIKE SAID THAT THE SUBPOENA IS NOT AIMED AT SETTLING THE COMMITTEE'S DISPUTE WITH THE SECRETARY OF STATE OVER A NEW POLICY DIRECTIVE PROHIBITING LOWER-LEVEL OFFICIALS FROM TESTIFYING ON RECOMMENDATIONS THEY MAKE IN THE DEVELOPMENT OF U.S. FOREIGN POLICY. SAID PIKE: "THAT IS SORT OF SITTING THERE AS A VERY SERIOUS DISAGREEMENT BETWEEN THE COMMITTEE AND THE SECRETARY OF STATE."

SABOTAGE AT WASHINGTON POST  
MAY BE AIMED AT HALTING PRESS ATTACKS ON ROCKEFELLER

OCT. 3 (IPS) -- THE WASHINGTON STAR YESTERDAY REFUSED A REQUEST BY THE WASHINGTON POST, WHOSE OWN PRESSES HAVE BEEN DESTROYED, ALLEGEDLY BY MEMBERS OF THE STRIKING NEWSPAPER AND GRAPHIC COMMUNICATIONS UNION, TO PRINT THE POST, SAYS TODAY'S NEW YORK TIMES. IPS IS INVESTIGATING WHETHER THE ATTACK ON THE POST, OWNED BY KATHERINE GRAHAM, A LEADING SPOKESMAN FOR THE LIBERAL WING OF THE DEMOCRATIC PARTY, IS A WARNING TO NEWSPAPERS WHICH ARE ATTACKING ROCKEFELLER'S POLICIES AND BEGINNING TO PUBLISH DETAILS OF HIS DRUG AND TERRORIST OPERATIONS.

NEW YORK TIMES COLUMNIST JAMES RESTON TODAY PROPOSED THAT THE STAR PRINT THE POST EVEN IF THE STAR IS FINANCIALLY RUINED AS A RESULT. THE STAR RECENTLY PRINTED A FRONT-PAGE ARTICLE ON FORMER CIA AGENT ROY FRANKHAUSER'S EXPOSE OF CIA-FBI DRUG AND GUN-RUNNING OPERATIONS.

CHASE INSOLVENT

OCT. 3 (IPS) -- A LEADING CANADIAN FINANCIAL CONSULTANT CONFIDED TO IPS YESTERDAY THAT IT IS "GENERALLY ACCEPTED THAT THE CHASE MANHATTAN BANK IS INSOLVENT."

TANNIAN: "I'LL DO IT BECAUSE I WANT TO  
AND NOT BECAUSE YOU TELL ME TO."

DETROIT, OCT. 3 (IPS) -- DETROIT POLICE CHIEF PHILIP TANNIAN TOLD TWO OF THE CITY'S CIVILIAN POLICE COMMISSIONERS YESTERDAY THAT HE WOULD DISOBEDIANCE AN ORDER BY THE COMMISSION PERMITTING THE U.S. LABOR PARTY TO CAMPAIGN AT KRESGE AND K-MART SHOPPING CENTER PARKING LOTS. "I WOULD NOT ABIDE BY THEM (THE COMMISSIONERS' RECOMMENDATIONS); I'D MAKE ARRESTS." THEN, REFERRING TO A POLICE SERGEANT WHO HAS BEEN HARASSING USLPERS AT KRESGE PARKING LOTS, TANNIAN VOLUNTEERED: "YOU'LL HAVE NO TROUBLE WITH CAPIZZO AGAIN."

THE POLICE COMMISSION WILL MEET ANYWAY, ON OCT. 9, TO GIVE FORMAL CONSIDERATION TO AN ORDER REQUIRING TANNIAN TO PERMIT THE USLP TO CAMPAIGN.
