

terrorist sources who should know: this is the same Strauss-allied Luzzatto family which helped finance the victory of the fascist parties in Italy's northern Alpien regions earlier this month and whose representative will be traveling with De Carolis.

That the wife of current U.S. Ambassador to Italy Gardner is a Luzzatto should be no surprise, given the often-documented role which the Italian ambassador has played in current and earlier destabilizations against the government of Premier Andreotti.

### On the 'left'

On the "left-wing" side of this terrorist scenario stands the Italian Socialist Party (PSI), and the PSI-controlled Italian Social Democratic Party (PSDI), and the Radical Party of gay rights activist Pannella. All three are now openly calling for a government collapse *before* Dec. 4, the date on which the European heads of state will meet to finalize arrangements for the Jan. 1 creation of the European Monetary System (EMS). PSDI Secretary General Pietro Longo is demanding a meeting of party chiefs with the Prime Minister to discuss the issue of Italian entry into the new monetary system, while PSI Secretary Craxi is openly calling for a new government which would abolish the current cooperation between the Christian Democrats and the Italian Communist Party.

Meanwhile "left-wing" terrorism operating out of the PSI, Pannella's radicals, and the interfaced Red Brigades gang continues unabated, escalating daily under the direction of the noble Pallavicini family, one of whose members is charged with the kidnapping of Aldo Moro.

Thus far the government has, however, managed to remain firm against this onslaught. As happened during the Moro affair, significant credit must be given to the government's decisive supporter, the PCI. Communist General Secretary Berlinguer has responded to targeted attacks on the cabinet's support for the European Monetary System by releasing an interview on Nov. 25 which for the first time grants the EMS unconditional support. The interview connects the need for the creation of a new world monetary system to the need for securing world peace and disarmament.

Berlinguer denounces the current international monetary system for preventing development and threatening peace, at the same time extolling the "intensive" role which Italy and the rest of Europe must play "to favor development of collaboration with the Third World, disarmament, the safeguarding of peace, (and) the transformation of the present international economic order which condemns more than one-third of humanity to hunger, underdevelopment, endemic diseases, and illiteracy."

## 'The Queen is responsible'

*Reflecting the enormous impact of the European Labor Party's book, "Chi ha ucciso Aldo Moro," Panorama of Nov. 28 ran the following coverage:*

Heading the plot was Elizabeth II of England. The British Crown, together with all of the world's monarchies (including the House of Savoy), have been attempting to destabilize the Italian situation for a long time. The ELP (European Labor Party), (a strange group, well-funded, self-defined as leftist, but suspected of being linked in reality to American conservative circles) is sure of it. In a book tantalizingly entitled "Who Killed Aldo Moro?", the ELP runs a 110-page story of the conspiracy. First of all the general organization and its commanders. The Queen didn't work all alone: helping her were the English Secret

### The monarchy, the left, and the right

As shown in this chart taken from *Chi ha ucciso Aldo Moro*, the European Labor Party's explosive expose on Italian drug-running and terrorism networks, the Sovereign Military Order of Malta, under the British Crown, sits directly on top of Italy's "left-versus-right" terrorist confrontation — "Strategia della Tensione" — and ties into both the right and left of the political life of the country, both the Socialist International (left) and the Black International (right), both Zionists (left) and the "Golpisti," or coup-makers (right).

In addition to identifying many personalities named here, the Nov. 28 *Panorama* coverage of the ELP book also identifies Indro Montanelli, editor of *Il Giornale*, Stefano Rodata, and Red Brigades "expert" for *L'Espresso*, Mario Scialoja as prominent press supporters for this the British "empire" in Italy.

Others highlighted here and mentioned in *Panorama* are Amintore Fanfani, right-wing Christian Democrat Senator, former fascist, and a member of the Sovereign Military Order of Malta (SMOM); Giorgio Amendola, member of the Directorate of the Italian Communist Party (PCI); Ugo La Malfa, President of the Italian Republican Party (PRI); and Bettino Craxi, present Secretary General of the Italian Socialist Party.

Services, the Israeli Shin Beth, the Sovereign (Military) Order of Malta, the Socialist International, the aristocracy in general.

Then come the supporters: the Nazi-British Mitterrand, the head of the Marseilles clan, the Socialist Michele Achilli, the organizer of the Mazzotti kidnapping, monarchist Indro Montanelli, all the members of the Caracciolo, Pallavicini, and Colonna families, Ripa di Meana, N. Bassetti, then Amintore Fanfani, Umberto Agnelli, Massimo De Carolis, Giorgio Amendola, Giorgio Napolitano, Ugo La Malfa, the inciter of prison upsurges Stefano Rodota, ENI's Mafioso Francesco Forte, the creator of the Red Brigades Francesco Alberoni, the Brigades' head Mario Scialoja, the terrorist-supporter and environmentalist Pannella, hoodlum and heir to the throne Charles of England, the Israeli agent Francesco Cossiga, the originator of red and black terrorism Giacomo Mancini, the notorious arms smuggler Victor Emmanuel, and finally the man who left his own calling cards in the Via Gradoli office, Bettino Craxi.

All these people, according to the ELP, form a perfectly meshed, trained organization. They have

already killed Martin Luther King, John and Robert Kennedy, and Enrico Mattei. On their hit-list are three other important entries: assassinate Helmut Schmidt, Giulio Andreotti and especially the half-known President of the U.S. Labor Party Lyndon LaRouche, the ideologue of the ELP and discoverer of the plot. But why did they kidnap and kill Aldo Moro? The ELP reveals the answer to this as well. Because Moro, along with the sane forces of Italy (Michele Sindona, Giulio Andreotti, Enrico Berlinguer, Luigi Granelli, Flaminio Piccoli, Giovanni Leone) and of the world (Pope Paul VI, Brezhnev, the Shah of Persia, Giscard D'Estaing, Helmut Schmidt, Takeo Fukuda), was attempting to realize the grand design for economic and cultural development, which he knew to be the only solution for Italy.

The order to kidnap Aldo Moro, according to the ELP, was given by British agent Piazzesi, the political editor of *Il Corriere della Sera*. On March 12, Piazzesi wrote a long article concluding with the following phrase: "Moro is one of those fatalists who accept death stoically — but only on one condition: that it come as late as possible." The ELP comments that this article was more than a death-knell, this was
